ANNUAL CONFERENCE PROCEEDINGS

1970

The 87th Annual Conference of the Bible Fellowship Church opened at 10:00 a.m. in the Chapel at Pinebrook on **October 12, 1970.**

John H. Riggall, devotional leader, opened the devotional period by leading the Conference in the singing of hymn, "Take Time to Be Holy." T. D. Gehret read II Peter 3:1-14 and led in public prayer. The Pastors' Quartet ministered by singing, "He was Wounded for our Transgressions."

Chairman, C. E. Kirkwood gave to the Conference a communion meditation based upon Revelation 1:4-6 wherein the "Credentials of Christ" were emphasized. A succinct comparison of the times of the Church today was compared with the times of the Church of the first century. The hymn, "I Love Thy Kingdom, Lord" was sung.

The following Pulpit Supply System was adopted as a substitute for the existing pulpit supply rules in FAITH & ORDER (mimeo) pp. 8-R-10. (FIRST READING) (Yes: 63, No: 16; Abstain 2)

The ideal condition in a conference is that of a satisfactory and stable pastoral relation in each church within its jurisdiction. To work to that ideal it is important that a conference have a proper concern for and relationship with the churches which are without pastors.

A. INSTITUTING THE PASTORAL RELATION IN CHURCHES WITHOUT PASTORS

1. Ministerial Relations Committee. The care of churches without Pastors shall be assigned to the Ministerial Relations Committee.

2. Oversight. The Ministerial Relations Committee shall exercise oversight of churches without pastors in the following ways:

a. Should a church lose its pastor, the Senior Annual Conference Delegate shall serve as Moderator of the Official Board.

b. By consulting with the Official Board regarding Temporary Supplies, the Official Board shall meet with the Committee and with its aid and advice secure temporary supplies for its pulpit when it becomes vacant.

c. By advising with the Official Board regarding Stated Supplies. On recommendations of the Ministerial Relations Committee Annual Conference may establish stated supplies. The Committee may arrange for the transfer of stated supplies within the Conference when it seems to be for the best interests of the minister, the church, or the Conference as a whole. In the area of stated supplies, the Ministerial Relations Committee shall at all times work in consultation with the Ministerial Candidate Committee and with the Credentials Committee.

d. By advising churches regarding the calling of a pastor. The Ministerial Relations Committee shall meet and consult with the Official Board of every church that is without a pastor. It shall advise the Official Board regarding the suitability of any person whose name is to be put before the congregation, and shall have the privilege of nominating suitable persons for the Board's consideration. The Annual Conference shall permit a call to be placed in the hands of a minister only when the Official Board of the church has thus consulted the Ministerial Relations Committee and obtained its approval before the name is presented to the congregation.

e. By conferring with the Board of Church Extension and the Official Board of any church receiving aid in the support of its pastor through the Church Extension Fund before recommending or approving the settlement of a pastor or stated supply in such a church.

3. Duty of a Particular Church without a Pastor.

a. Every church should be under the pastoral oversight of a minister, and when its pulpit is vacant, shall promptly proceed to elect a pastor in the following manner: The Official Board shall call a congregational meeting to convene at the regular place of

worship to elect a nominating committee representative of the whole congregation, whose duty it shall be to nominate a minister to the congregation for election as pastor. Public notice of the time, place, and purpose of the meeting must be given at not less than three prior regularly scheduled meetings.

The church may elect a nominating committee only after its pulpit has become vacant or after the Ministerial Relations Committee has set a definite future date when the pulpit of the church is to be declared vacant. But the nominating committee shall be free, without the influence of the retiring pastor to carry out the desires of the congregation with reference to the call of a successor pastor.

b. Conference with Ministerial Relations Committee. The nominating committee shall confer with the Ministerial Relations Committee as provided in Section A, paragraph 2.

c. If it appear desirable, the nominating committee may confer with eligible men prior to issuing a formal call so that the parties may become acquainted with the particular needs of the church and proposed methods, opportunities, or obligations.

d. Who is eligible for a call? The Credentials Committee shall issue an annual list of men who are eligible to work as pastors of a Bible Fellowship Church, and this list is to be published in the Year Book and made a part of the proceedings of Annual Conference. Should changes occur in this list while Conference is adjourned, the Secretary of the Credentials Committee shall mail a revised list of such men to all delegates who were members of the last Annual Conference or who may be delegates-elect to the next Annual Conference.

e. The Congregational Meeting. When the nominating committee is ready to report, it shall notify the Official Board, which shall call a congregational meeting at the regular place of worship for the purpose of acting on the report of the nominating committee. Public notice of the time, place and purpose of the meeting shall be given at not less than three prior regularly scheduled meetings.

f. The Congregation's Responsibility in the Election of a Pastor. The order of business for the congregational meeting is as follows:

1. The Senior Delegate to Annual Conference shall preside, or he may appoint a member of the Ministerial Relations Committee to do so.

2. The Secretary of the Official Board shall act as secretary of the meeting.

3. Prayer for divine guidance shall be made.

4. Statement shall be made concerning those entitled to vote. All members, having attained the age of sixteen years, attending the meeting, but no others, are entitled to vote.

5. The report of the nominating committee shall be made.

6. The question shall be put: "Are you ready to proceed to the election of a pastor?" The question shall be answered by a motion, duly seconded, and approved by a majority of those voting.

7. If they declare themselves ready, the moderator shall declare the name submitted by the nominating committee to be in nomination.

8. The vote shall be taken by written ballot. In every case a majority of the voters present and voting shall be required to elect.

9. On the election of a pastor, if it appear that a large minority is averse to the candidate who has received a majority of votes, and the minority cannot be induced to concur in the call, the moderator shall endeavor to dissuade the majority from prosecuting it further. If the electors be nearly or quite unanimous or if the majority shall insist upon its right to call a pastor, the moderator shall proceed to draw a call in due form. It shall be subscribed by them, certifying at the same time in writing the number of those who do not concur in the call, and any facts of importance all of which proceedings shall be laid before the Ministerial Relations Committee, together with the call.

10. The call shall be in the following form, namely:

FORM OF CALL

"The _____ Bible Fellowship Church of _____, being on sufficient grounds, well satisfied of the ministerial qualifications of you, _____, and having good hopes from our knowledge of you, that your ministrations in the gospel will be profitable to our spiritual interests, do earnestly call and desire you to undertake the office of pastor in said congregation, promising you in the discharge of your duties, all proper support, encouragement, and obedience in the Lord.

"And that you may be free from worldly care and avocations, we, on our part, promise and oblige ourselves to pay you the sum of \$ _____ yearly in regular payments during the time of your being and continuing as the pastor of this church, together with free use of the parsonage and _____ vacation each year.

"And we agree to pay or continue to pay semi-annually into the Ministers' Retirement Fund that requisite percent of said salary which Annual Conference may require you to pay into said fund.

"And we agree to pay or continue to pay annually a sum equivalent to that self-employment tax as may be levied upon you by the Congress of the United States under the Federal Insurance Contributions Act.

"And we agree to pay, or continue to pay, for the Health and Welfare benefits offered by Annual Conference.

"And we promise and oblige ourselves to review with you the adequacy of this compensation annually.

"In testimony whereof we have respectively subscribed our names this ____ day of ____ A.D. ____.

(Signatures)

"I, having moderated the congregational meeting which extended a call to ____ for his ministerial services, do certify that the call has been made in all respects according to the rules laid down by the Faith and Order, and that the persons who sign the foregoing call were authorized to do so by vote of the congregation.

(Signed) _____
Moderator of Meeting."

11. The signatures on the call shall be either all those present subscribing to the call: or (upon resolution of the congregation) those members of the Official Board who subscribe to the call. Such a resolution must be publicly voted and must be certified to the Ministerial Relations Committee by the moderator of the meeting.

12. The Annual Conference Delegate(s) shall present and prosecute the call before the Ministerial Relations Committee.

4. Duty of Minister

a. Ministers receiving calls shall reply within three weeks.

b. If it appear desirable, after he has received a call, the minister may confer with the nominating committee so the parties may become acquainted with the particular needs of the church and with proposed methods, opportunities, or obligations.

5. Action of Annual Conference on the Call of the Pastor.

a. Preliminary actions by the Ministerial Relations Committee.

1. The Nominating Committee shall confer with the Ministerial Relations Committee as provided in Section A, paragraph 3 b.

2. The Ministerial Relations Committee must approve the name of the candidate before it is presented to the congregation.

3. Every call must be placed in the hands of the Ministerial Relations Committee by the moderator of the congregational meeting and the Annual Conference Delegate(s). The Ministerial Relations Committee must find that the Nominating Committee had followed the required steps as provided in the Faith and Order.

b. When the call of the congregation is unanimous, or nearly so, the Ministerial Relations Committee may approve the call. If it is unable to approve the call, the Committee must submit the entire matter to Annual Conference at its next session, together with its recommendations. The delegate(s) to Annual Conference shall prosecute the call before the Annual Conference.

c. When a call is approved, the Annual Conference Delegate(s) shall place it in the hands of the minister called.

d. The minister called shall respond in writing within three weeks after having received the call.

B. MAINTAINING THE PASTORAL RELATIONS

1. Ministerial Relations Committee. On the denominational level the Ministerial Relations Committee is charged with the chief responsibility in maintaining good pastoral relations. It shall be established and elected in order that the spiritual and temporal welfare of the ministers and congregations of the Bible Fellowship Church may be properly sustained. The election of this committee shall take precedence over all other Annual Conference Boards, Committees, and Appointments. Unless Annual Conference otherwise provides, the Committee shall elect its own chairman and vice-chairman who shall serve until their successors have been elected.

To the Ministerial Relations Committee Annual Conference shall assign the supervision of its churches without pastors. Direct access to this Committee shall be available at all times to all ministers in the Conference, and to all members of Official Boards, in matters relative to the spiritual and temporal welfare of the churches in which they severally hold office.

2. Consultation and Advice.

a. Because the relationship between pastor and congregation began under mutual agreement and at the direction of Christ, the Head of the Church, the parties of this relationship bear the chief responsibility for its proper maintenance through Christ's enabling. Help of the Ministerial Relations Committee shall be sought only when internal discussion of problems results in no mutually acceptable solution.

b. When external help is needed, the Ministerial Relations Committee shall represent Annual Conference in providing such help.

3. Composition and Election of the Ministerial Relations Committee.

a. The Committee shall be elected by Annual Conference.

b. The Committee shall be composed of four ministers who are serving as pastors and three laymen who are elders.

c. The term of office shall be for three years; no one is eligible to serve more than two consecutive terms.

d. At the beginning members shall be in three classes, serving terms of one, two and three years.

e. Four members shall constitute a quorum. This Committee may, from its membership, establish such sub-committees as may meet its working requirements.

f. When a member of the Ministerial Relations Committee become personally involved in a ministerial problem, he shall disqualify himself from acting in such cases.

g. Direct access to this Committee shall be available to all ministers and to all members of the Official Board at all times. In corresponding with the Committee, letters shall be addressed to the Committee's secretary.

4. Duties of the Ministerial Relations Committee

a. The Committee's role is that of consultation and advice; and, except in unusual circumstances, it is permitted to act only when matters are brought to its attention. To compel attention referrals must be by:

1. Pastors of the conference, regarding matters pertaining to their own churches.

2. Members of Official Boards regarding matters pertaining to their own church.

b. When difficulties within a particular church are not too widely known, the Committee with the Pastoral Relations Committee of the congregation shall seek a solution to the problem.

c. If the matter has reached the stage of widespread rumor or general knowledge within the congregation and even in the community, a formal and public visit is in order. Except in cases of emergency, arrangements for such visits of a particular church shall be made by contacting the Secretary of the Official Board.

d. It is mandatory that a church or pastor having problems consult with the Ministerial Relations Committee before initiating any action leading to a dissolution of the pastoral relationship.

e. The first consideration of the Ministerial Relations Committee is the maintenance of a happy relationship between pastor and people. If problems arise, the Committee's duty is to work toward resolving the difficulties. Only after every effort to resolve a problem is exhausted, will thought be given to terminating the pastoral relationship.

f. When this Committee cannot resolve a problem submitted to it, the problem shall be brought to Annual Conference for final solution, with the recommendations of the Committee.

g. It shall submit a report to each Annual Conference and make recommendations as to the minimum minister's salary.

5. Minister's Salary. The call of minister is a covenant between him and the church he serves and involves the following responsibilities:

a. It shall provide a basic salary. In addition, it shall include provision of a parsonage, including payment as an expense paid out of church income, of the cost of heat, light, telephone, and all other utilities.

b. Each congregation is bound by the requirement: We promise and oblige ourselves to review with you the adequacy of this compensation annually.

c. Whatever the amount of the annual payment of salary, each congregation agrees to pay or to continue to pay into the Ministers' Retirement Fund that requisite per cent of said salary which may be fixed by Annual Conference for the participation of the pastor in the Ministers' Retirement Fund.

d. Whatever the amount of the annual payment of salary, each congregation agrees to pay or to continue to pay annually a sum equivalent to that self-employment tax as may be levied upon the pastor by the Congress of the United States under the Federal Insurance Contributions Act.

e. Whatever the amount of the annual payment of salary, each congregation agrees to pay or to continue to pay for the Health and Welfare benefits as offered by Annual Conference.

f. The Ministerial Relations Committee shall approve the call and its details; i. e. the covenant. It shall establish the time the covenant goes into effect. It shall report annually to Annual Conference on the adequacy of the compensation of each of the pastors. It shall fix the date of the dissolution of the pastorate, at which time the covenant ends.

C. DISSOLUTION OF THE PASTORAL RELATIONS

Except as Annual Conference may delegate authority to the Ministerial Relations Committee, its approval is necessary to the formation of the pastoral relations and to its dissolution. This authority may be exercised on the petition of the pastor, or on the judgment of Annual Conference without petition. Action taken on "resignation of the pastor or petition of the people" is the normal form of such dissolution. Rules covering the normal process are 1 through 4 of this section. Action taken on the "judgment of Annual Conference, without petition" is effected by administrative discipline as covered by Paragraph 5 in this section.

1. The Normal Process. If a minister desires to resign from his pastorate, he shall submit his resignation to the church by sending a letter to the Secretary of the Official Board, and he shall at the same time submit a copy of said letter to the Chairman of the Ministerial Relations Committee.

a. The Ministerial Relations Committee shall cite the church to appear by members of the Official Board, or the church may so appear upon its own motion, to show cause, if it has any, why Annual Conference should not accept the resignation. If the church shall fail to appear, or if its reasons for retaining its pastor be deemed insufficient, his resignation may be accepted. The Ministerial Relations Committee may approve the resignation and set its effective date. If the Committee is unable to approve the resignation, it must refer the problem to Annual Conference with recommendations.

b. Ordinarily such action presents no difficulties. The usual practice is for the Official Board to call a congregational meeting, in accordance with our rules, to vote concurrence with the minister's resignation. The presentation of the resignation of the pastoral charge by the minister and the concurrence of the congregation leads to the action of Annual Conference dissolving the pastoral relations, and a fixing of the effective date.

2. Churches Desiring Dissolution of Pastorate.

a. If a church desires a dissolution of the pastoral relation, a similar procedure shall be observed. The title of this paragraph implies that problems exist between pastor and people. It is required then, that all procedures set forth in Section B, for maintaining the pastoral relationship have been followed diligently. Nevertheless, the relationship continues to be an unhappy one. But whether the minister or the church initiates proceedings for a dissolution of the relation, there shall always be a meeting of the congregation called and conducted precisely in the same matter as when the call of a pastor is to be made (See Section A, par. 3f).

If this action is undertaken unilaterally by the church, it must be in the form of a petition to Annual Conference asking that its

pastoral relationship be dissolved. This petition must be prepared in consultation with the Ministerial Relationships Committee and it must be submitted to Annual Conference through the Ministerial Relations Committee.

b. Unless the pastor resigns, there is no provision for dissolution of the pastoral relationship except as provided in Section C Paragraph 2a., or in Section C. Paragraph 5.

3. Consultation and Help for Ministers seeking change of Pastorate.

a. Ministerial Relations Committee. A part of the purpose for the Ministerial Relations Committee is to facilitate the exchange of information concerning ministers seeking new pastorates and vacant churches seeking new ministers. Counsel and advice should be given by Ministerial Relations Committee which should insist on such ministers giving information concerning their education, background, and experience, for reference. Suggestions may be given of churches presently vacant, of assistant pastors needed, or of opportunities for those of special talents for administrative work, etc.

b. It may sometimes be wise for Annual Conference, through its Ministerial Relations Committee, to suggest a different calling to one whose experience and disappointment raise a question as to his call to the ministry. Other areas of Christian service, even those open to laymen, may be more suitable to some who have been willing to serve as ministers.

4. Consultation and Help for Churches Seeking a Change of Pastorate. The help of the Ministerial Relations Committee shall be available and willingly given that both church and minister may find satisfactory relations. The friendly help thus given through patience and positive action may prevent the appearance of discord and the resulting harm to both minister and congregation.

5. Dissolution of Pastoral Relation by Annual Conference after Investigation. There are several ways in which irregularities come before Annual Conference for official action:

a. By report of the Ministerial Relations Committee to Annual Conference when it is unable to solve a problem by simple counsel and advice.

b. By the motion of a member of Annual Conference whose conscience requires him to act in regard to the pastoral relationship.

c. By general review and control.
Resolved, that we adjourn.

REPORTS

REPORT OF THE YOUTH FELLOWSHIP GENERAL COMMITTEE

The Youth Fellowship General Committee met six times during the Conference year to plan and implement its work. In addition to planning, continuing evaluation of programs already concluded was conducted. A new internal organization of the committee into functioning sub-committees was adopted, with considerable success. In addition to the critique of Committee sponsored events, some observations were discussed concerning the attitudes of the Bible Fellowship Church in general toward youth work. Reference to the latter will follow in this report.

Recent precedent was continued with the sponsoring of a Conference-wide Thanksgiving Rally held this year at the Forum in Harrisburg. The rally was well attended with splendid help from the Harrisburg Bible Fellowship Church in planning and executing the physical aspect of the Rally. Paul Anderson, the "World's Strongest Man", was the featured speaker, with music by the Mustos, and Pinebrook Youth Group, and a testimony from a college student, saved one year earlier at the Thanksgiving Rally, Frank DeJuana. While the feats of strength and testimony were well received, it was felt that future rallies should focus on a stronger, more clarified presentation of the Biblical Gospel.

For the second year, good use was made of our Pinebrook facilities with two weekend winter retreats held the first weekends in January. Attendance was again heartening, with capacity registration. Speakers were Bob Minnick and Bob Marshall.

At this juncture in its work the Committee was organized into the following sub-committees with each sub-committee to handle advance planning for its assigned responsibilities and report to the General Committee. The committees are: Winter Retreat; Sunday School Convention; Adult Leadership, with special responsibilities in providing help for local youth fellowship advisors; Pinebrook Youth Week (summer); Thanksgiving Rally; Athletic Competition; College-Career Age. The use of these committees proved to be an efficient method of expediting the committee's work.

A one-day basketball tournament was held with attendance of about 300, and a very successful Track and Field Competition in June at Fleetwood, under the direction of John Killian.

The Committee, with the financial cooperation of the respective churches, sent Chairman Mahurin and Secretary Mull as its representatives, to Seminar Seventy, a youth oriented, internationally attended study seminar (convened by Christian Service

Brigade) at Buck Hill Falls, Inn, in April. The Seminar, attended by various Bible Fellowship pastors, proved to be most enlightening and instructive. Tapes of the principal speakers are to be obtained, and made available to the churches.

The College-Career summer retreat was canceled because of lack of interest.

Youth Week at the summer's end at Pinebrook was planned and conducted by the Committee. While attendance was less than hoped for, a fine spiritual week was provided with speakers George Fuller of Duluth, and Don McCullough of Philadelphia College of Bible, and Dan Ziegler.

A planned weekend Adult Leadership conference at Hatfield was canceled, but it is hoped that more attention and support can be given to this phase of our work together with youth in the future.

Consideration is being given to operating a bus for Bible Fellowship Youth to the Urbana Missionary Conference, sponsored by InterVarsity, during Christmas recess.

Plans for the Thanksgiving Rally are being finalized, with the Rally scheduled this year for the Christopher Dock High School at Lansdale, Friday, November 27.

It is hoped that Youth Week at Pinebrook next summer, August 14-21, can attract groups other than Bible Fellowship to cooperate for the week. Overtures are being made for this purpose.

NOTE: Strong opinion was expressed that apparent support of youth activities in our denomination is very weak among a number of pastors and churches; at any rate, response has often been very poor. With the splendid grounds we have at Pinebrook, with the varied helpful programs planned, it was felt there should be much more widespread response among the churches, especially in view of the crucial importance of youth.

1. We recommend that the first reading of the following proposed legislation be adopted by this conference. Resolved, that the Youth Fellowship General Committee be dissolved as of the 88th Annual Conference, elect a Board of Christian Education composed of six ministers and six laymen to oversee the work of Christian Education throughout the Bible Fellowship Church. The twelve members of this Board of Christian Education shall be comprised of three classes of two ministers and two laymen, respectively, each class to be elected annually in turn for a term of three years. (To initiate the proposed, two ministers and two laymen shall be elected for a two-year term, and two ministers and two laymen shall be elected for a one-year term).

2. We recommend that Annual Conference considers a joint report of the Sunday School Promotion Committee and the revised Youth General Committee further detailing the above proposed.

3. We recommend that the treasury balance of the Youth Fellowship General Committee be turned over to the Board of Christian Education.

4. We recommend that every church make an annual contribution to the work of the Board of Christian Education at the Adjourned Session of Annual Conference. (We suggest the contribution for each church be at least equal to the combined offerings for Youth Fellowship General Committee and Sunday School Promotion Committee). Until a joint Board is formed, the present system should be followed in providing funds for the Youth Fellowship General Committee.

REPORT OF THE SUNDAY SCHOOL PROMOTION COMMITTEE

"And the instructions which you have heard from me, along with many witnesses, transmit and entrust as a deposit to reliable and faithful men who will be competent and qualified to teach others also."(II Timothy 2:2 Amplified New Testament)

It would seem evident that one of the grandest themes and objectives of the Sunday School Promotion Committee might well be that of initiating programs for the multiplication of teachers and disciples through training. The theme of our annual Sunday School Convention, "Outreach Evangelism", would appear to bear out that concern not only of the Committee, but of the more than 300 adults who attended the Convention which met at Bethel Bible Fellowship Church, Emmaus, Pa., on Saturday, April 25, 1970.

Still another means of carrying out Paul's stated objectives for Timothy is that ever expanding Visual Aids Library at Pinebrook Junior College. Again this year over \$300 was invested in upgrading this library of instructional aids. We would encourage our Sunday Schools and other training arms of the Church to become familiar with the material available, to put the material to use in their training programs, and then to promptly return the same that the aids may be kept available for use by others.

In accordance with the authorization of the Annual Conference, the leaflet entitled, "Let's Get Acquainted", has been printed and is now available for use by our local churches.

We recommend that every Bible Fellowship Sunday School make a contribution for denominational Sunday School promotion. This contribution should be mailed to the Financial Secretary of the Committee before April 1, 1971.

The Sunday School Promotion Committee recommends the adoption of the JOINT PROPOSAL OF THE YOUTH FELLOWSHIP GENERAL COMMITTEE AND THE SUNDAY SCHOOL PROMOTION COMMITTEE TO ANNUAL CONFERENCE.

JOINT PROPOSAL OF THE YOUTH FELLOWSHIP GENERAL COMMITTEE AND THE SUNDAY SCHOOL PROMOTION COMMITTEE TO ANNUAL CONFERENCE

Because of past experience, and present and future needs for the total educational program of the Bible Fellowship Church, the Youth Fellowship General Committee and the Sunday School Promotion Committee believe the time has come for a conference-wide Board of Christian Education.

The following reasons prompt this consideration:

1. Overlapping of the work of the Youth Fellowship General Committee and the Sunday School Promotion Committee.

2. Co-ordinating the work of the Annual Sunday School Convention. For the past two years considerable co-ordinating activities were necessitated for the separate Youth Program.

3. Broadening the educational horizons within the Bible Fellowship Church, both a present experience and a desirable future development.

Specific areas of concern and service envisioned and/or experienced now are:

- Adult Fellowship Groups
- Audio-Visual Library and Equipment, including catalogues
- Bible Study Groups (Women's Bible Study, etc.)
- Children's Bible Clubs
- Children's Church
- Christian Day School
- Ministry of Music
- Released Time Classes
- Retreat for Official Board Members
- Service Organizations (Christian Service Brigade, Pioneer Girls, Etc.)
- Sunday School
- Teacher Standards
- Teacher Training Programs (Regional)
- Training Union (Sunday Evening)
- Vacation Bible School
- Youth Fellowship

In early 1968 two meetings were held by representatives from both the Youth Fellowship General Committee and the Sunday School Promotion Committee to discuss the need of a Board of Christian Education and to propose appropriate legislation to Annual Conference. Accordingly, we propose that the first reading of the following be adopted as the by-laws of the Bible Fellowship Church this conference:

We propose that the first reading of the following be adopted for our by-laws this conference:

Duties of the Proposed Board shall be:

1. It shall provide guidance to the local church in carrying out the Christian Education Program.

2. It shall provide helpful regional and denominational programs for any or all aspects of the work of Christian Education.

3. It shall receive funds designated by the Annual Conference and disburse them for the needs of their work.

4. It shall submit a written report to Annual Conference.

REPORT OF THE CREDENTIALS COMMITTEE

The Committee on Credentials held seven meetings during the year in the performance of its duties.

The Faith and Order Questionnaire was sent to each of our ministers holding credentials with us. All the brethren signed and returned it, having answered all the questions in the affirmative except as follows:

1. Some brethren who are not presently pastoring a Bible Fellowship Church did not answer yes to question four.
2. M. Leslie Campbell did not return his Questionnaire. He told the Committee that he wanted to resign and has moved out of the area.

3. Paul Kuder wrote a letter of resignation from ministry in the Bible Fellowship Church. His health dictated a change in geographical location.

4. A few brethren, not presently pastoring a Bible Fellowship Church, did not return the Questionnaire. They will be dealt with by the Committee.

5. Daniel G. Ziegler answered yes to question four, but observed that his acceptance of the position of Director of the Church Extension Department will place some limitations on his time in a pastorate.

6. A. L. Seifert answered yes to question four, but observed that his acceptance of the position of Part Time Director of Pinebrook Bible Conference will place some limitations on his time in a pastorate as well as the geographical location of a pastorate.

7. Donald R. Knauer has accepted a call to minister with the Church Extension Department and is not available to serve a conference appointment.

8. Carl C. Cassel has accepted the position of Academic Dean at Pinebrook Junior College and will not be available to pastor a church.

9. David J. Watkins has accepted the position of Interim President of Pinebrook Junior College and will not be available to pastor a church.

The Ministerial Candidate Committee has recommended that Leonard Buck and David L. Branning be ordained to the Christian Ministry.

Leonard Buck has served as a Foreign Missionary in South Africa since 1958 and is recommended for ordination by the Board of Foreign Missions.

David L. Branning has served the Walnutport Church under the Church Extension Department since 1966. He is recommended for ordination by the Board of Church Extension.

The Credentials Committee, after an examination of these men believe they are called of God to the Gospel Ministry and that they are in accord with the Faith and Order of the Bible Fellowship Church, We, therefore,

Recommend, that Leonard Buck and David L. Branning be ordained at a service to be held on Thursday, November 19, 1970, at the Coopersburg Bible Fellowship Church. This service shall be in charge of the Credentials Committee and shall begin at 8:00 p.m.

Whereas, M. Leslie Campbell and Paul Kuder have resigned from active ministry in the Bible Fellowship Church, therefore,

We recommend, that we accept their resignations and drop their names from our roll of ministers. We pray that they may have divine direction in their future service to God.

Whereas, Raymond R. Dotts, in view of his present ministry at Covenant College, has requested that his status be changed from "Ordained Minister On Leave of Absence" to "Ordained Minister Working with Other Organization". We recommend that his request be granted.

The Credentials Committee received favorable reports from the District Superintendent concerning the Ministers of the Bible Fellowship Church.

We give thanks to God for each one of the ministering brethren. We pray that they may experience the continued blessings of God upon their labors.

We recommend that each pastor, shortly after the annual election of conference delegate, shall inform the secretary of the Credentials Committee of the results of that election.

CONFERENCE SUPERINTENDENT'S REPORT

"And now, brethren, I commend you to God, and to the Word of His grace, which is able to build you up, and to give you an inheritance among all them which are sanctified." (Acts 20:32)

As I conclude my time in this office the closing words of Paul to a group of church leaders seem appropriate. Paul leaves them in good hands. As stated by Matthew Henry, "He directs them to look up to God with an 'eye of faith' and beseeches God to look down on them with an 'eye of favor'." The beloved apostle had an unwavering confidence in the purpose of God and an unshakable faith in power of the gospel. May we indeed be followers of him as he was of Christ.

However, Paul also warned them of the lurking dangers which could hinder the effectiveness of the church and destroy its testimony. It is imperative that the Christian be on guard lest his life become self-centered instead of Christ-centered.

One of our former Pastors diagnosed accurately one of the current weaknesses of evangelicalism in an article which appeared in a nationally-known periodical. He wrote: "The evangelical Church glories in its orthodoxy and conservative theology, but it is a head orthodoxy and a robot-type of theology. Never has so much truth been preached with as little passion! Never have so many souls been reached, but the touch has been without emotion or conviction. In no other age have Christians known so much about tragic current events and cared less."

This could be the last generation the church will have to evangelize sinful men for whom Christ died. Every Bible Fellowship Church should seek to increase its contributions for foreign missionary work and give greater financial support to the work of Church Extension which is endeavoring, at a great expenditure of time, men and money to enlarge our borders. We need to arouse

ourselves to the urgent needs of this hour so that the message of life may penetrate beyond the confines of our buildings to the pagan world all about us.

Rise up, O men of God! Have done with lesser things;
Give heart and soul and mind and strength to serve the King of
Kings.

Rise up, O men of God! The Church for you doth wait,
Her strength unequal to her task; Rise up, and make her great!

I want to express my grateful thanks to our Heavenly Father Who has kept me from physical accident during the many hours of travel. I am also thankful for the wonderful fellowship which has been mine in my visits with Pastors and to the churches. It has been an enriching experience which shall ever be treasured in the heart. May the Lord's richest blessings be the portion of each one who faithfully follows Him and may each of us be a blessing to Him now and ever.

A. L. Seifert

REPORT OF THE INTERIM DIRECTOR OF CHURCH EXTENSION

"When the Lord restored the fortunes of Zion, we were like those who dream" (Psalm 126:1, RSV). This song comes out of the experience of the people of God when they began to return home from captivity. They "were like those who dream", they could hardly believe it was true.

It appears that, in the field of church extension, our church has been in a captivity-like period of relative barrenness. We have been unable to plant new churches with consistent success. The last five years have seen the termination of five works. Giving has fallen off. There seems to have been a general pall of discouragement and gloom.

Now we are seeing evidence that the Lord is restoring the fortunes of His people. He is "turning our captivity", as the King James Version puts it, and though it is still like a dream, "our mouth (is) filled with laughter, and our tongue with shouts of joy" (v. 2).

In order for us, today, to be "like those who dream", it was necessary that there be those before us who could "prophesy" and "see visions" and "dream dreams" (Acts 2:17) in the sense of imagining, articulating, projecting and planning what, for them, lay in the future. Those visions and dreams were materialized through hard work in committee and board deliberations, in tedious legislative and procedural changes here on the floor of Annual conference, in the distasteful but necessary "pruning process" -- terminating unproductive or unpromising works that good growth and fruitfulness might follow, and in financial consolidation designed to put resources where they are most needed.

The termination of the Miller Heights mission, at the request of the congregation, after careful, prayerful study and deliberation, was reasonable and right. A good portion of the people who attended that work has been transferred over to Ebenezer Church, whose new building is less than 1-1/2 miles from the Miller Heights location. In the deliberations and in the details of closing Pastor Donald Barnhart exerted careful, thorough leadership. We trust that this closing will be the end of the "pruning process".

Our success in financial redistribution may be seen in two comparisons. Fifteen years ago, 21 of the 38 Conference-member churches did not fully meet the costs of their ministries. They received help in the form of direct appropriation of church extension funds or through sharing a pastor with another church or churches. This year all of the churches except the four in our Church Extension Department have supported themselves fully. And at this Annual Conference our Sinking Spring Church, on its seventh birthday, is ready to become self-supporting.

Just ten years ago, in 1960, of the less than \$37,000 given for church extension some \$14,000, or 38%, never came into the hands of the Church Extension Department, but was allocated to other needs. This year every dollar given by our churches for church extension is being used for its intended purpose.

Part of the joy of this "turning point" year is due to the progress of the churches in the Department. This may be measured in baptisms, additions in membership, increases in attendances and

offerings and improvements to buildings and grounds. Walnutport has added a beautiful new front and foyer to the building and projects major interior improvements. Belvidere is nearing completion of added educational space as a second story above the parsonage apartment. Sinking Spring and Walnutport have paved an access road and parking area, respectively.

Special note should be made of the dramatic change in the situation at Finesville, in answer to the prayers of many of God's people. A year ago Pastor Harold C. Weaber accepted the challenge of leading this somewhat discouraged flock through the uncertain days that then lay ahead. The hearts of people and pastor were fast knit together and they began to see God work. His work was manifest in their work, as they began to reach out and at the same time to improve their old building. People are being transformed from sinners into saints by the saving grace of God through His gospel. New families have been reached and are attending, including some from the village itself. Attendance increases have been almost phenomenal. The church is planning some major renovations and improvements of the building that could make it both very useful and very lovely. To God be the glory.

Another indicator of wholesome progress is the admittance of three of our works, Belvidere, Finesville and Walnutport, to Annual Conference membership. This year they may fully participate in the deliberations and voting of this body.

When God is working and His Church is moving ahead, then the world notices; "...then they said among nations, 'The Lord has done great things for them' " (v. 2b).

One of those "prophets, visionaries and dreamers" of a few years ago was a former Director of Church Extension, William A. Heffner. In 1964, in his report to Annual Conference, Brother Heffner told us of two particular goals of which he dreamed. "First, it is hoped that we will be able to begin some actual pioneering work - that is, census and survey work in apparently gospel-less areas... Of course," he went on, "to do any degree of pioneer work will necessitate increased manpower and finances, which we feel confident God can provide." And God has provided. The survey and census work has been done and we stand ready to enter the needy and open territory of East Central New Jersey, especially the New Brunswick, Freehold and Neptune areas.

God has supplied the manpower in the persons of a fine team - Donald R. Knauer, Robert A. Minnig and D. Thomas Phillips. Brother Knauer, who will have primary responsibility in the New Brunswick area, is well known among us for his faithful ministry as a teacher and a pastor. Brother Minnig, who will serve the Freehold area, is a son of the Lancaster church. He comes with an excellent education and some solid experience, most recent of which was the Staten Island church, where he has served effectively this year as assistant pastor. Brother Phillips, who will con-

centrate his ministry in the Neptune area, is new to our church. He is a recent graduate of Reformed Episcopal Seminary. His steady, warm and diligent personality will be an asset in this new work. An added advantage which he brings in his knowledge of the Shore Area, acquired during his childhood and youth in Seaside Heights, not far from Neptune. These three men will work as a real team, meeting regularly and pooling their ideas, efforts, energies and prayers in their collective task - the establishment of three new churches. We thank God for calling them and them for heeding the call.

The Lord has also supplied financially for this new pioneer thrust, providing so that, even after expending several thousands of dollars on the preparation phase, the Board can set aside \$33,000 for the first year's operation of the new New Jersey missions.

In his 1965 report to Conference, Brother Heffner pointed the way to an effective means of preparatory survey work in projected areas. He told of plans "for an intensive... summer program in possibly 4 or 5 areas upon which our attention is being focused. It is hoped that we will be able to employ some energetic, Spirit-filled young men to give themselves to the hard work of door-to-door visitation and survey work in these areas. Pray with us that this may be possible financially, and that God will provide the right men for the job."

The vision was fulfilled and those prayers were answered in PISCES - our Program of Internships in Summer Church Extension Service. God gave us four "energetic, Spirit-filled young men", students who invested their summer for learning and service. An exciting Orientation Week in New York City was followed by four weeks of service in five of our churches, where their freshness and zeal made significant impact. Then for the final six weeks they really "gave themselves to the hard (and hot!) work of door-to-door visitation and survey" in the three target areas. With the leadership and help of field co-ordinator Robert Minnig and captain Frank Chivalette they visited about 15,000 homes, telling of our "Baby Church" program, giving out a brochure and gospel tract and inviting response. They did turn up in nearly 200 homes those who were willing to "sign on the dotted line", saying, "Yes, we're interested." All of these have been, and are being, followed-up. We believe many of them will be part of our three emerging churches.

Recognizing the strategic value of PISCES, both in impact and outreach for our churches and in training for service in the lives of the participants, the Board of Church Extension is planning for PISCES '71 next summer.

We have encountered great interest in, and enthusiasm about, our program among our non-Christian friends and contacts, both in the target areas and elsewhere. They seem to say, "The Lord has done great things for them." Some of our own Bible Fellow-

ship Church people may have been slow to realize the great things God is doing. In the Psalm the people of God seem to come behind the pagans in recognizing what the Lord has done. Perhaps our own members, hearing the enthusiasm of those outside our church, might respond, "The Lord has done great things for us: we are glad" (v. 3).

Recognition of what God has done and is doing at this "turning point" may lead us to pray for greater things. The prayer in Psalm 126 may be ours, too. "Restore our fortunes, O Lord, like the watercourses in the Negib"! (vs. 4). Those dry desert wadis would, during the rainy season, become flowing, rushing rivers. O Lord, we thank You for what You are beginning to do. But it is still merely a trickle: Make it a torrent!

Last year the Conference adopted a resolution that looked toward 1973 as an all-out year of evangelism for our churches. Many other denominations and groups have made, and are making, like commitments. It is possible, by the Spirit's power, that those who know our Lord Jesus might make a concerted saturation impact with His gospel on all of our nation in that year. During this year it was my privilege to represent our church at two meetings in St. Louis of the Central Committee of KEY '73. These are strategy sessions for the '73 national evangelism thrust. We should continue carefully and prayerfully to watch and share in these developments.

Our Department will seek to draw up some general guidelines and specific helps for our churches' planning toward 1973. Many of our churches are involved in "Christ for Eastern Pennsylvania". Some of our pastors have leadership positions in the endeavor. We rejoice in it and encourage our congregations to be actively involved.

Many churches might prayerfully make 1973 a target year for a possible branch-church effort in a nearby area. We regret the Denville church found it necessary to discontinue their branch attempt in Montville. Their decision was reasonable. We commend them for giving it a try. The concept is still valid. The Department will stand ready to offer full counsel and assistance to any church with a burden to reach out by branching.

Perhaps we might "dream" that 1973 will see another church-planting team thrust, like the one we are now beginning. There are needy areas that await our coming. The Lord will surely supply the manpower, as He has done this year and over the years. Since starting new churches is costly, finances will likely be the determinative question. Available funds will depend on continuing maturation of present churches, rapid development of our new missions and increased giving by all of our brotherhood for church extension.

The second goal that Brother Heffner placed before us in his 1964 report was financial. "It seems desirable that a properly constituted investment procedure be established and presented to our constituency for the express purpose of offering our people the privilege of assisting in building programs of our smaller churches. Many have been the requests from interested Christians relative to this." The tremendous value of the Fund to Promote Church Extension has been demonstrated in its making possible the acquisition of housing for the New Jersey team members and their families. As we move on in these and other church planting ventures, new born churches, with few fiscal resources may need help to finance purchases of land and buildings. The Board of Church Extension must work on development of the means by which concerned believers may make their savings available, at reasonable return, to be used to build for God.

Part of the prayer in Psalm 126 is for men - for the sowers. "May those who sow in tears reap with shouts of joy!" (v. 5). Church Extension is the work of sowing and (hopefully) reaping. Men are the key factor that the Lord uses. The tears that accompany the sowing may be tears of sorrow, or of concern and love, or of disappointment and frustration or of joy. The men of our Department have sown with tears of all kinds. They are men of the finest in character, commitment and concern. There are the Board members, who have given of themselves, their time and their wisdom, without reservation in the long, hard meetings that were necessitated in the preparatory work for the New Jersey thrust. One meeting began at 8:15 a. m. in Emmaus and ended at 9:30 p. m. at Freehold, with at least a two hour drive yet ahead for all of the men. There were the PISCES students, who proved themselves uncommon young men on the sweltering plains of New Jersey this summer. There is Frank Chivalette, who has given invaluable help in the transitional visitation since the end of PISCES. There are the three courageous men who will put themselves on the front line of the battle. And there are the four pastors, David Branning, Terris Byrd, John Herb and Harold Weaver, who have worked in our churches through the year. What a great time we had together in New York in our Seminar, March 9 and 10! These are men who are thinkers and doers. These are men of pastoral heart, with deep concern for the people and the churches committed to their care. The tenacity of their dedication to the completion of a task is seen in the fact that all four have chosen to remain in their incumbent pastorates for the coming year. O Lord, these dear men who have sown, and are sowing, in tears; may they really reap with shouts of joy!

The "Song of a People Set Free" ends with a great promise that when there is sowing of the good seed, in the proper attitude, there is certainty of a harvest. "He that goes forth weeping, bearing the seed for the sowing shall come home (the King James says he with 'doubtless come again') with shouts of joy, bringing his sheaves with him! (v. 6). O Lord, grant us such a harvest!

Daniel G. Ziegler, Interim Director of Church Extension

REPORT OF THE PRESIDENT OF PINEBROOK JUNIOR COLLEGE

There are a number of respects in which the past year has been a critical time for Pinebrook Junior College. Administrators, faculty, staff and students were faced with adjusting to the new situation at Stroudsburg.

Preparation for, and participation in, an evaluative visit by a committee of the Pennsylvania Department of Education demanded a great deal of time and energy on the part of school personnel. A curriculum which was shifting toward a higher percentage of course offerings in the humanities faced us with new challenges in seeking to recruit Godly, competent instructors for these course offerings. The resignation of President Jansen E. Hartman in April of 1970 caused some constituents of the Bible Fellowship Church to come to the conclusion that the time had come to abandon the ministry of Pinebrook Junior College and some effort was made to bring

this to pass. It is only appropriate to express deep appreciation to President and Mrs. Hartman for their continuing support of Pinebrook Junior College as well as their foundational contribution during these past 20 years - years that led from Bethel Church to 1020 South Hall Street and then on to Pinebrook.

In accepting the call of the Board of Directors of Pinebrook Junior College to become Interim President in April of 1970 there was a deep realization on my part of the uncertainties with which the future was fraught. Could men and women of Godly character and intellectual competence be found to carry the load of instruction and administration? Would the necessary growth of student body be forthcoming? Were there answers to the financial problems of a school as small as Pinebrook?

Our commitment to the view that any school is only as strong as its teaching and administrative team dictated that we give primary attention to assembling our professional staff. In pursuing this task strict attention was given to both the theological orthodoxy and the personal maturity of the people under consideration. The future of the school rests on the success or failure of these efforts. We believe that God has answered our prayers in bringing together our present staff.

Enrollment for the fall semester stands at 50, with a number of applications and inquiries having already been received for the second semester. Even though the enrollment of 50 is higher than the second semester of last year, it is only fair to say that it falls far short of our goal of 75 students. We cannot emphasize too strongly that for a school in our stage of development there can be no substitute for numerical growth. Very simply stated, we must grow or we will die. We urge you to pray, and work together with us in this great task.

Perhaps the biggest road block to a wholehearted effort in support of our school is the lack of widespread conviction that a school such as ours is really needed. To this point it can only be said that the junior college is the newest and most experimental phase of higher education in the United States. We know that millions of young people will begin their college experience in junior colleges during the next decade. Who will be in the foreground of bringing together the possibilities of the junior college with the realities of the truth of God? Could it be that God might see fit to use us for this task?

The cataclysmic days in which we live call us to decisiveness. Elijah attacked the indecisiveness of his generation with the question "How long halt ye between two opinions?" We add to that the words of Christ which find application in our generation - (John 9:4) "I must work the works of him that sent me while it is day, the night cometh when no man can work."

Let us, together, as one, lay hold on this opportunity to work together for the glory of God through Pinebrook Junior College.

David J. Watkins, Interim President

REPORT OF THE BOARD OF DIRECTORS OF THE BIBLE FELLOWSHIP CHURCH

The Board of Directors of the Bible Fellowship Church held four regular meetings and three special meetings during the year beginning October 1, 1969 and ending September 30, 1970.

The Board elected the following officers to serve during the year: President and Chairman, Arlington L. Seifert; Vice-President and Treasurer, Byron C. Cassel; Secretary, Jansen E. Hartman; Financial Secretary, James R. Cressman.

The Board as trustees of Conference properties entered into several transactions in conjunction with the Board of Church Extension.

1. The property of the closed church in Millersville was sold for \$30,000. After all obligations were met the remaining money was placed in the Fund to Promote Church Extension.
2. The property of the Bethel Bible Fellowship Church of Macungie was turned over to the Board for sale. The parsonage was sold for \$16,500.00. An agreement of sale was entered into with the Church of the Nazarene for the church building at a price of \$14,000. The balance of the money after debts and other costs have been paid has been assigned to the Fund to Promote Church Extension.
3. The Finesville Bible Fellowship Church abandoned their plan to build a church on the lot purchased in Holland Township, N.J. The Finesville Church was paid \$2,315.00 in full for the money they invested in the lot. This property is now owned by the Bible Fellowship Church and is reserved for the use of the Board of Church Extension since the purchase money was taken from the Fund to Promote Church Extension.
4. At the request of the Board of Church Extension an agreement of sale has been entered into to purchase a home at 140 Drake Road, Franklin Township, New Jersey. The cost of this home is \$36,000.00.
5. At the request of the Board of Church Extension an agreement of sale has been entered to purchase a home at 85 Helen Ave., Freehold, New Jersey. The cost of this home is \$25,000.00
6. The Board has appropriated \$5,000 as an outright grant from the Fund to Promote Church Extension to the Board of Church Extension for the purchase of the home located at 140 Drake Road, Franklin Township, New Jersey.
7. The Board has appropriated \$5,000 as an outright grant from the Fund to Promote Church Extension to the Board of Church Extension for the purchase of the home located at 85 Helen Avenue, Freehold, New Jersey.

8. The Board has agreed to loan to the Board of Church Extension \$13,000 from the Fund to Promote Church Extension for the purchase of the home located at 140 Drake Road, Franklin Township, N. J. , and \$10,300 for the purchase of the home located at 85 Helen Avenue, Freehold, N. J. The balance needed for the purchase of these properties is covered by continuing existing first mortgages.

9. The Board of Church Extension informed this Board that the United Bible Fellowship Church of Bethlehem Township is no longer meeting as a congregation. Steps are now being taken to liquidate this property in accordance with the Standing Rules of the Annual Conference.

The removal of Pinebrook Junior College from Allentown to the Pinebrook grounds brought about the sale of the Allentown properties. The sale of the property located at 1018 - 1024 S. Hall Street was consummated at \$75,000. After all obligations of the college were met the balance of the money was placed in the Pinebrook Fund. Also the property located at 548 Fernwood Street, Emmaus, Pa. , was sold with proceeds after obligations were paid were turned over to the college since the property was not given for school plant purposes but as an outright gift for the general fund of the school.

The Board of Directors as Conference trustees and custodians of the Pinebrook Fund answered several requests made by the Pinebrook Service Board:

1. Granted loans totalling \$20,000 for operating expenses.
2. Purchased the property north of Pinebrook along Cherry Hill Road consisting of 6.2 acres with a five room summer home for \$15,000. The purpose of this acquisition is to provide an alternate route so that roads bisecting the property can be closed from public use.
3. Appropriated \$9,942.00 from the Pinebrook Fund for the construction of a bunk house.
4. Appropriated \$6,065.00 from the Pinebrook Fund for new equipment in the kitchen.
5. Obtained an adjustment on the tax assessment on the Pinebrook properties in accordance with educational and church usage.

The proposed Administrative Budget for 1971-1972 is herewith submitted for consideration.

REPORT OF THE BOARD OF DIRECTORS OF PINEBROOK JUNIOR COLLEGE

There was a time in the ministry of Samuel when he led the congregation of Israel to give honor and glory to God by placing a stone in a particular location, thus saying that they knew their presence there was by the help of God. He called the name of this place Ebenezer - "Hitherto hath the Lord helped us." That small phrase shows a recognition of where they came from, a consciousness of where they were, and implies that future blessing is dependent upon God. The educational ministry of Berean Bible School and now Pinebrook Junior College has always been faced with severe challenges. From the secularization of national life, to the financial problems caused by inflation there are constant pressures on a school such as ours. A small school like ours competing with larger Christian schools is also a challenge. We praise God for helping us up until this time.

This past year has been filled with change and challenge. Although the school moved to Pinebrook before last annual conference many of the renovations needed for the proper function of the school were not completed until later in the school year. Our heartfelt thanks goes to an Administration and Faculty who worked willingly under such circumstances.

Mr. Albert L. Wentz, Board Member and Treasurer since the inception of the school in 1950, went home to be with the Lord on February 23, 1970. The loss of brother Wentz will be keenly felt as he supported the school whole-heartedly over the years, always fulfilling his heavy responsibilities with integrity and precision.

An evaluation visit by a team of educators representing the Pennsylvania Board of Education in April of 1970 was preceded by many months of intensive preparation by the administration and staff. The report which resulted from the visit commended the school for its thorough institutional study and made many valuable suggestions for the future development of the school.

In April of 1970 President Jansen E. Hartman tendered his resignation to the Board of Directors of Pinebrook Junior College.

We wish to express our gratitude to Reverend and Mrs. Hartman for their faithful and fruitful service in the past twenty years. It is our prayer that the blessing of God might rest upon their future ministry.

Reverend David J. Watkins accepted the call of the Board of Directors of Pinebrook Junior College to become the Interim President of the school and has served in that capacity since June 1, 1970. Other new members of the Administration and Faculty are: Carl C. Cassel, Academic Dean; John Brueckmann, Instructor in Biblical Studies; Robert Clausen, Librarian; Kathleen Forlow, Dean of Women, Instructor in Psychology; William Forlow, Dean of Men, Athletic Director; Barry Traver, Instructor in English and Mathematics; Mr. Norman Fox continues as Head of the Music Department and Director of Christian Service. Mrs. Pauline Fox is teaching piano and organ part-time. Mr. Harold Snyder continues as Instructor in History and has assumed the office of Director of Public Relations; Mr. Dean Stortz is the Financial Officer of the School. Part-time Instructors are: Reverend James A. Beil, Mrs. Charlene Cassel and Mrs. Keitha Wittig.

The Board met five times during the past year to conduct its business. The various committees fulfilled the responsibilities assigned to them.

The Board organized with David J. Watkins, Chairman, Nicholas J. Sheetz, Secretary and Albert L. Wentz, Treasurer. The appointment of Reverend Watkins to the Interim Presidency of the school resulted in the election of Harvey J. Fritz, Jr., to the Chairmanship of the Board. Following the death of Mr. Albert L. Wentz the Board elected James A. Beil to complete the year as Treasurer.

We encourage our churches to support Pinebrook Junior College at a level of 4% of its annual offerings and that this support be remitted to the college in twelve monthly payments.

REPORT OF THE BOARD OF CHURCH EXTENSION

"Enlarge the place of thy tent, and let them stretch forth the curtains of thine habitations: spare not, lengthen thy cords, and strengthen thy stakes." (Isaiah 54:2)

The Board of Church Extension rejoices in the provision which God has made by raising-up three men for the New Jersey Church-Planting Project. After an unusual summer of intense canvassing by the men of PISCES, God has given the Bible Fellowship Church an opportunity to extend its borders to the New Brunswick, Freehold and Neptune, New Jersey areas.

Although the Miller Heights congregation terminated its ministry July 31, 1970; the Pastor, Donald Barnhart, encouraged the members to transfer to the Ebenezer Bible Fellowship Church of Bethlehem, Pennsylvania. He assisted Pastor Frank Herb to bring about a smooth transition.

The Board will continue its study on guidelines for Bible Fellowship Evangelism in 1973. The Board of Church Extension also encourages Bible Fellowship Churches to participate in the Christ for Eastern Pennsylvania evangelism thrust.

Daniel G. Ziegler, Director of the Department, has provided outstanding leadership and vision for the strengthening of existing churches and the development of new missions.

The Board would appreciate your continued prayer and financial support for this year of great expectation.

The following men have served this year under the supervision of the Church Extension Department: Donald Barnhart, David L. Branning, Ferris Byrd, Frank Chivalette, John H. Herb, Robert Minnig, Harold C. Weaver.

REPORT OF THE BOARD OF DIRECTORS OF THE BIBLE FELLOWSHIP CHURCH HOME

The Lord has abundantly blessed the Bible Fellowship Church in providing an excellent location for our Church Home in Eastern Pa. The Home is situated in one of the cleanest, most spacious and beautiful landscaped communities with tree-lined avenues and attractive parks. Luxuriant shrubbery forms an attractive part of the landscaping plan.

Our Home is a \$275,000 investment with 24-hour nursing care. A second unit to provide a chapel, room for occupational therapy, a sun porch, and an infirmary for guests requiring permanent nursing care is now under consideration. During the year 22 guests were admitted, 2 dismissed, 6 withdrew, and 4 died. The total number of guests on August 31, 1970 was 26, which is our capacity. The Administrator, Rev. F. B. Hertzog, has worked diligently during the year for the best spiritual and physical interest of our guests.

The Board is very grateful to the members of the Bible Fellowship Church and the Ladies Bible Class of Grace Church, Reading, Pa., for the offerings received. Throughout the year the Home received donations with a cash value of \$800.00.

Our basic objective and pledge is to provide personal care for our guest-residents that will add to their comfort, happiness, and well-being and give peace of mind to them and their loved ones. Legacies of real estate, stocks, bonds and cash have played an important role in the expansion and maintenance of the Home since the work began. Your continued support will be most helpful to us in realizing our goal for enlargement and in providing better services for our people.

We make the following recommendations:

That each church make a contribution to the Bible Fellowship Church Home. The anticipated budget of the Home indicates a need

for contributions of at least \$7,800 by the churches. Checks shall be made payable to the BIBLE FELLOWSHIP HOME and submitted by April 1, 1971.

REPORT OF THE BOARD OF VICTORY VALLEY CAMP

As we seek to retrace the steps of the Summer in this report we encounter evidences all along the way which point to the guidance and blessing of our Lord Jesus Christ. All praise must go to that One who the Bible describes as the "Beginning and the End".

Our camp season received its first "shot in the arm" on May tenth when Jonathan Reynolds and his wife Darlene arrived at camp to take up their duties as Caretaker. Jon, with the help of several co-workers had the camp in better physical shape at an earlier date than ever before. After working faithfully and efficiently during our seven week camp season, Jon, as a working foreman, did a great job replacing our old shingled chapel roof with a new one. We praise the Lord for sending Jon and Darlene to Victory Valley. They will be living in the "white house" and overseeing the camp during the winter as Jon attends Westminster Seminary.

Several new improvements were added to the camp this year. Our cook, Mr. Bill Belli, was overjoyed with the new addition to the Dining Hall. It provided much needed storage space for dry

goods and a "walk-in" area for perishables. In the white house the hallway and stairwell were fireproofed and panelled. Also, a new heating plant was installed - oil fired hotwater baseboard heat. This will make possible year round use of the white house for housing small retreat groups. We praise our God for providing the finances which made these improvements possible.

The Lord provided an excellent staff for us again this year. Mr. Harold E. Snyder served efficiently as the Camp Director coordinating the entire staff and program in a commendable manner. Miss Karen Ettinger (now Mrs. Willard Stull) directed the girls program in her usual efficient manner. Mr. Dean Stortz directed the boys program in dedicated fashion. Miss Donna Bailey (now Mrs. Dean Stortz) with characteristic insight and enthusiasm directed the Counselor-in-Training Program. Mr. Bill Belli and his wife, Fay, were our cook and assistant cook respectively. Bill and his wife not only cook but also do all the buying of foodstuff for the kitchen. This year in addition Mr. Belli agreed to paint the exterior of the white house. He did an excellent job. Space does not permit a comprehensive account of the selfless dedication with which each staff member fulfilled his obligations. The counselors who are the "work horse" of a program such as ours should be singled out for their unusually high morale and faithfulness. We praise the Lord for His faithfulness.

Our camp season was seven weeks in duration this year (including orientation week). The total number of campers served during this time was only 13 less than last year's camp which had an eight week season. This created a much more efficient operation. 472 campers were served this year with some decisions and many expressing the fact that camp had helped them in their Christian growth. We served over twice as many black, inner-city children as last year (12) and we hope to be serving even more in the years to come.

Actual Campers:

<u>Boys-Girls Camp</u>	<u>Weekly Total</u>	<u>Boys</u>	<u>Girls</u>
Week 1	87	43	44
Week 2	96	51	45
Week 3	85	40	45
Week 4	92	49	43
<u>Junior High Camp</u>			
Week 1	69	36	33
Week 2	43	26	17
Total	<u>472</u>	245	227
Cancellations	13 = Total Registrations		485

Our increased activity in the area of camp rentals has helped make some of the improvements mentioned above possible. The East Penn School District rented our camp June 21-27 for a federally funded program to help undermotivated school children.

The camp was also rented to another independent church group for two weeks of camp after August 16. Although only two large rentals are mentioned above, we have also had a greatly increased demand from church Sunday School, Pioneer Girls and Boys Brigade groups to rent our camp. We are encouraging this sort of thing, because we eventually hope to make year-round usage of our facility. Also, a study is being made to determine whether our camp objectives permit us to rent our camp to groups that are seeking to perform an educative function.

The evidences above, we believe, have shown that our God and His Son Jesus have guided and blessed us during this past year. May His name be praised!

The Schedule for 1971 is as follows: (5 weeks Jr. age; 1 week Jr. Hi)

Boys and Girls age 8 through 12 (grades 2-6)

- 1st week - July 3-10
- 2nd week - July 10-17
- 3rd week - July 17-24
- 4th week - July 24-31
- 5th week - July 31-August 7

Co-ed Junior High School (grades 7-9)

1st week - August 7-14

We recommend that each church make a contribution to Victory Valley Camp. The camp budget for 1970-1971 indicates a need for church contributions of about \$5,000.00. The fair share for each church would be approximately 1% of its total offerings. Checks should be made payable to Victory Valley Camp and sent to the secretary of the Board before March 1, 1971.

REPORT OF THE BOARD OF FOREIGN MISSIONS

Year ending September 30, 1970

"Where there is no vision, the people perish." Proverbs 29:18

This is a solemn word for a solemn time. We live in tremendous days, days of discovery and advance, when men reach for the very stars and widen their horizons on every side. Yet they are solemn days, for while we live on the edge of a volcano with threatening atomic destructive force, the world population increases with explosive numbers. Untold millions live under-nourished and die unevangelized. In view of all this, what vision do we have?

We read in I Samuel 3:1, "The word of the Lord was precious in those days; there was no open vision." The realities of the spiritual world were hidden so that men failed to see beyond the ordinary of life into the real world of God. The Word of God was rare. In effect, God was silent, people were not being enlightened, consequently there was spiritual and moral darkness everywhere. It can be like this with us. Our vision may be faulty and blurred. God seems to be far away. He does not seem to speak, or show Himself; the Scriptures dim their light and everything spiritual is out of focus.

One book of the Bible more unlike than any other is a book of vision. It is Ezekiel. You will notice it begins with the prophet saying that he "saw". Prophets were called "seers" for the simple reason that they "saw" what others did not. They saw behind and into things with spiritual perception. And this is what we need today. We need Christians who see, who see God clearly, who see the need of people and the way to meet it.

The vision that we need is the vision of the Lord Himself. We read that Ezekiel had "visions of God". Not one, but many. We need a continual vision of God, for it is always our vision, our conception and understanding of God that determines all else. Where there is no vision of God there is disintegration.

Ezekiel saw not some impersonal force, but the "likeness of a man on the throne". "Sirs, we would see Jesus," said the Greeks

to Philip, and for us the answer echoes back from the book of Hebrews - "We see not yet all things...but we see Jesus, crowned with glory and honor." And only as we see Jesus do we truly see God.

There is another vision that Ezekiel had, recorded in chapter 37, in which he saw a great valley full of dry bones. He saw Israel as they were without God, ruins and relics of a fallen race. How many there are around us who are without God and their life is dry indeed. We need to see them as Jesus saw Lazarus, dead and decaying; Bartimaeus, blind and poor; Zaccheus, lost; the crowds hungry and wandering as sheep without a shepherd.

We need to see men as they can be when grace has touched them: to see Cephas in Simon, Paul in Saul, and Israel in Jacob. We need to see men moved by the Spirit of God, made alive, new creatures in Christ Jesus. We must see the world as God sees it. If we have no vision the people will perish. If we are to win men to Christ we will need the endowment of power from on high. The power of the Holy Spirit filling and energizing us.

In the book, "Spurgeon's Lectures to his students", we have this pertinent word: "Sometimes, too, we must change our tone. Instead of instructing, reasoning and persuading, we must come to threatening, and declare the wrath of God upon impenitent souls. We must lift the curtain and let them see the future. Show them their danger, and warn them to escape from the wrath to come. This done, we must return to invitation, and set before the awakened mind, the rich provisions of infinite grace freely presented to the sons of men. In our Master's Name we must give the invitation, crying, 'Whosoever will, let him take the water of life freely.' "

The Church of God must keep the vision clear. Communists have their vision. Humanists have theirs. Heretical sects have theirs. Their vision is their passion. Our vision must include the exhortation, "Occupy till I come." To do this we will need the power of the Spirit. We have the orthodoxy, the plans, the ambition, and we do not lack for words, but alas, there is so little evidence of spiritual power. How are we to have more? The Bible says that "power belongeth unto God" Ps.62:11. "He giveth power to the faint; and to them that have no might he increaseth strength" Isa. 40:29.

O Breath of Life, come sweeping through us,
Revive Thy Church with life and power;
O Breath of Life, come, cleanse, renew us,
And fit Thy Church to meet this hour.

Revive us, Lord! Is zeal abating
While harvest fields are vast and white?
Revive us, Lord, the world is waiting,
Equip Thy Church to spread the light.

News about Missionary Personnel

AARON and MARLENE HOFFMAN with their two boys arrived May 8, 1970 from New Guinea after serving four years on the foreign field. Marlene worked in the post office, the nursery and managed the base guest house. Aaron spent his time building houses, schools, offices, workshops, translation study rooms, as well as other projects. He built a total of 108 buildings in his term of 4 1/2 years. The Hoffmans also conducted Bible studies and literacy classes.

Their address during furlough is: Route #1 - Box 96-5, Coplay, Pa. 18037

EDWARD and RUTH MOYER arrived in the States on furlough, May 18, 1970. They went to Belgium in 1957 where Edward took a medical course in tropical diseases in preparation for missionary service in the Congo. They left for the Congo in March 1959. After a short stay in the Congo they were forced to leave because of rioting and fighting all around. By August 1960 they were back again in the States, waiting on the Lord for their next move.

September 29, 1961 found the Moyers on their way to the Island of Guadeloupe, to serve there under the West Indies Mission. They have now had two full terms in that field. During their present furlough they will live at: Blooming Glen, Pa. 18911, P.O. Box 201. Their telephone number is 257-6794.

AUSTIN and RUTH SHELLY arrived in the States with their family July 10, 1970. The Shellys have served three full terms in Venezuela. They first went to Costa Rica on December 18, 1957. They began their term of service in Venezuela April 5, 1959. Their ministry during these years has been in connection with the Institute. Austin served as Deputy Field Director.

While on furlough they are living at 424 Ridge Street, Emmaus, Pa. 18049. Telephone is 967-4595

LEONARD and NINA BUCK arrived in the States July 11, 1970. They first went to the field in 1958 serving under the South Africa General Mission. During their last term of service in Johannesburg they served under the Evangelical Alliance Mission.

While on furlough they are living at 419 Elm Street, Emmaus, Pa., 18049. Telephone is 967-4832

J. BARCLAY and DOROTHY HARLEY left from International airport, Philadelphia, Pa., August 1, 1970. Their children, Susan Cae and Robert Glen accompanied them, while Linda and John remained in the States to continue their schooling. The Harleys have had three terms on the field, serving under the Orinoco River Mission in Venezuela. Their work was the unique ministry with the Mission Launch. In traveling along the Orinoco River they made many stops along the way to contact people living in the smaller towns and villages. The seed was sown and as a result many have been led to know the Saviour.

Their address in Venezuela is: Apartado 75 - Ciudad Bolivar, Venezuela, South America.

LAIRD and MARY ANN STENGELE with their two boys left from Kennedy airport, New York, June 23, 1970. Their daughter, Carol Sue remains in the States and is attending Pinebrook Junior College. The Stengeles are returning to India for their fourth term. They will be in charge of the hostel there with all the children, also be responsible for the accounts and record books.

Field address: Longcroft Hostel, Madurai District - Tamil Nadu, South India.

DAVID MANNEY moved to Guayaquil, Ecuador, during the year, where he became Co-ordinator for the All Ecuador Gospel Network. February 27, 1970 he arrived in the States on a special business assignment to represent the radio ministry. During a six-week itinerary he was able to make a number of contacts which were important in introducing and furthering the work of AEGN. The Manney family plan to return to the States for furlough August 1971.

HOWARD and LORAIN HATTON arrived in the States August 30, 1970 from Thailand. During their furlough they will reside at 6320 Ventnor Avenue, Ventnor, N.J. Prior to their return for furlough, he was engaged in the work of translating the Popular Thai New Testament, which is now ready for type-setting and is in the hands of the production department. The work of translating the Lao Old Testament is now under-way.

HUBERT and MARY FISHER are veteran missionaries having gone to the foreign field over forty years ago. They spent a number of years in China, and were taken on by the Foreign Board for support in 1940. After fifteen years in China all missionaries were evacuated. We find this word in Hubert's report: "We are leaving China - We hope to return - We shall continue in prayer."

From China the Fishers went to Hong Kong arriving there in May 1951. Doors to Japan were open and consequently they went to Japan in August 1951. They settled in Hokkaido, then a town of 25,000 people, and began learning the Japanese language. They have faithfully continued to serve in Japan, and although eligible to return for furlough and possible retirement, they have decided to remain as long as God supplies strength and as long as they are needed on the foreign field.

Dr. Raymond J. Davis, President of the Interdenominational Foreign Mission Association, speaking before the assembled delegates at their fifty-second annual meeting, told them that world conditions today demanded an upgraded, more functional missionary effort. "The easy, simple, cheap ways of conducting missionary work are gone," he said. "From here on it will cost more money and require better trained people and greater insights into planning and strategy." The IFMA represents approximately 8,000 missionaries.

"As his part is that goeth down to the battle, so shall his part be that tarrith by the stuff; they shall part alike" I Samuel 30:24.

"Don't worry over anything whatever; tell God every detail of your needs in earnest prayer, and the peace of God, which transcends human understanding, will keep constant guard over your hearts and minds as they rest in Christ Jesus." Philipians 4:6, 7—Phillips translation.

The Board of Foreign Missions acknowledges with gratitude the faithful and loyal support of the constituents of the Bible Fellowship Church. We are aware of the fact that we are in a serious inflationary period. The cost of living has steadily been increasing over the past several years. In spite of this, we are thankful to God that there has been no lack in the support of our Missionaries. Several of our Missionaries have gone through periods of physical testing, but God has sustained them and enabled them to continue. The word of promise was real to them; "As thy days, so shall thy strength be."

The Pinebrook Conference Board has made a contribution of \$300 towards future provision for housing missionaries on furlough. We are hopeful that there will be further response to this need. At present the Board continues to rent two houses in Emmaus where two missionary families are living at this time.

The Board met in regular session five times during the year. Those serving on the Board during this year were: David E. Thomann, Chairman; T. D. Gehret, General Secretary; A. L. Seifert, John Dunn, Brian Butler, Robert Breitegam, Kermit K. Gehman, James R. Cressman and Roy E. Williams.

The following resolution was adopted by the Board of Foreign Missions at a meeting held at Nazareth, Pa., Monday, June 8, 1970.

Resolved: that we recommend to the Annual Conference meeting at Pinebrook, October 12, 1970, the approval and adoption of the request of the Board of Foreign Missions, that the Board of Foreign Missions be granted the privilege of having the oversight of all the funds of Foreign Missions, and elect a Treasurer from among their number.

WOMEN'S MISSIONARY SOCIETIES

When the Missionary arrives home on furlough the Women's Missionary Society helps to refurbish a depleted wardrobe. Needed household items, both for home and abroad are frequently supplied. Prayer groups meet regularly to uphold the missionary and his work.

Each of the six regions of the Women's Missionary Societies hold rallies both in spring and fall of the year. This keeps the work of missions before them, in sharing the news about the missionary, and also in prayer for them. The Annual Spring Rally was held in our Emmaus Bible Fellowship Church, Thursday, May 14, 1970.

Approximately 325 were present. Missionary speakers were: Ted and Grete Shelling in the morning; Moses Chow in the afternoon. Aaron and Marlene Hoffman were present and gave brief testimonies. A question and answer period conducted by the Secretary, T.D.Gehret, featured the afternoon service.

The Emmaus Church provided the noon meal. A snack and lunch were available at the chuck wagon through the courtesy of Gerald Schlonecker.

THE BOARD OF FOREIGN MISSIONS RECOMMENDS THAT ALL FOREIGN MISSION FUNDS BE FORWARDED QUARTERLY TO THE GENERAL SECRETARY OF THE BOARD OF FOREIGN MISSIONS.

(David E. Thomann, Chairman; T.D.Gehret, General Secretary; A.L.Seifert, Brian Butler, John Dunn, Roy E. Williams, Kermit K.Gehman, Robert Breitegam, James R. Cressman, Board).

REPORT OF THE HISTORICAL COMMITTEE

The most significant development of this past year in the minds of the historical committee was the relocation of the archival materials. All of these materials are now located at Pinebrook. Our new archivist, Mr. Harold E. Snyder, engineered and supervised the move.

When plans were made to move Pinebrook Junior College to its new campus, it was believed feasible to think of locating the Bible Fellowship Archives in the rear of the Pinebrook Junior College Library. In the light of several developments, however, this has proved to be an untenable solution. The Pinebrook Junior College Library is barely large enough to house adequately its present library holdings. Also, recommendations from the Pennsylvania State Department of Education call for the addition of several thousand books in the next few years. These developments make it impossible to think of housing the Bible Fellowship Archives in the Pinebrook Junior College Library.

The Archives are presently being housed in one of the small offices in Echobrook which should be available for a faculty office. This committee strongly recommends that the Annual Conference of the Bible Fellowship Church request the Pinebrook Service Board for a heated lockable room in which to store our denominational historical records.

This year, despite a rather unstable situation, several new acquisitions have been made. A photograph of the Annual Conference of 1931 was received. Also, Miss Joyce Mann submitted several newspaper articles which tell of local Bible Fellowship Church special occasions.

We would like to reiterate the statement found in many previous yearbooks by this committee. Only your interest in preserving the historical heritage of our church can allow us to do a thorough job of source material gathering.

(Paul H. Cressman, E. W. Bean, Raymond R. Dotts, Committee)

PARALLELS AND DIFFERENCE BETWEEN PROPOSAL I AND PROPOSAL II - PULPIT SUPPLY

Both systems propose a committee on the denominational level to work with the particular churches in supplying churches with pastors. Proposal I creates Pastoral Relations Committee and defines its composition, election and duties. Proposal II uses the Credentials Committee as the point of contact between the particular church and the denomination, and the conference must define the changes necessary in the duties and/or composition of the Credentials Committee.

In Proposal I the congregation participates in establishing the Pastoral relationship and in the breaking of this relationship. The call requires either signatures of those present subscribing to the call or those members of Official Board who subscribe to the call. In Proposal II the Official Board establishes the Pastoral relationship and the congregation participates in breaking the relationship (except in cases where the pastor resigns). The call is signed only by the secretary of the Official Board.

Proposal I deals with temporary and stated supplies while Proposal II makes no provision for this.

Proposal I prohibits the supply pastor from becoming a pastor for six months to eliminate candidating. Proposal II is silent on candidating.

Proposal I demands the approval of the Pastoral Relations Committee before the pastor can be extended a formal call. In the event differences cannot be resolved, the issue will be decided by annual conference. In Proposal II the church may call a pastor after consultation with the Credentials Committee.

Proposal I provides for the election of a Nominating Committee by the congregation after the pulpit has been declared vacant. The Nominating Committee shall submit only a single candidate at any one time. His name is to be submitted to the congregation for its approval. Proposal II leaves the choice of pastor to the Official Board.

Both Proposals demand that churches call only those pastors whose names appear on the availability list provided by the Credentials Committee. The call referred to herein does not refer to a supply pastor.

Both Proposals provide for a written agreement between pastor and congregation to be reviewed annually.

Both Proposals make it possible to confer with eligible men prior to making a formal call. After the call, Proposal I allows three (3) weeks to make a decision and Proposal II allows two (2) weeks.

Proposal I makes no provision for instituting a pastoral relationship that is not approved by both the church and pastor. Proposal II assumes that every pastor on the availability list will be given an assignment.

Proposal I may result at sometime in a pastor being without an assignment and a church being without a pastor. Proposal II expects that each pastor will be assigned but it has the possibility that a pastoral relationship may be instituted without a consent of the parties.

In both Proposals should a pastor resign, a church through no choice of its own may have to relinquish its pastor. Proposal I states that the congregation has right of appeal to the Pastoral Relations Committee with the Pastoral Relations Committee setting the effective date of the resignation; Proposal II states that the resignation becomes effective at Annual Conference or sooner by mutual agreement between pastor and congregation.

Proposal I provides that changes may take place at any time upon the agreement of pastor, and church (es) involved and the Pastoral Relations Committee. Without the agreement of these three parties the change must be made by Annual Conference.

Proposal II provides that changes take place at Annual Conference unless previous agreement has been made between pastor (s) and church (es) involved, and is approved by the Credentials Committee.

By either proposal, the church without a pastor may succeed in calling a pastor, drawing from any of the men on the availability list. However, under Proposal II those churches that have pulpits unfilled or becoming open on or after the last Saturday in September will be given a choice limited to men who are unassigned. The unassigned men under Proposal II will be assigned by the Credentials Committee to the churches without pastors.

Both Proposals describe the Pastoral Relations Committee or the Credentials Committee as having responsibility for consultation and advice.

Proposal I provides that the Pastoral Relations Committee can approve actions in which it and the parties to the agreement concur; it cannot approve action if it or either the pastor or congregation do not concur. When it cannot approve action, the Pastoral Re-

lations Committee must bring the problem and its recommendations to the next session of the Annual Conference. Proposal II provides that the church and pastor consult with the Credentials Committee, but it does not require the approval of the Credentials Committee before action is taken.

Both Proposals provide for the congregation to initiate action for the breaking of the pastoral relation after all other means of maintaining the relationship have failed. Proposal I provides that this action shall be in the form of a petition to Annual Conference. Proposal II provides that this shall be in the form of a congregational vote to discharge him.

We recommend that the conference discuss the report of the combined Pulpit Supply Committees and at the end of the discussion the chairman of the committee which wrote Proposal I offer a motion for the adoption of Proposal I and that the chairman of the committee which wrote Proposal II shall offer a motion for the adoption of Proposal II as a substitute motion.

The conference would then by simple majority decide which Proposal should be voted upon first. After that decision the Proposal receiving a 2/3 majority vote will be adopted at first reading.

REPORT OF THE PINEBROOK CONFERENCE BOARD

"Come ye apart and rest awhile"

There were many who obeyed the above injunction given by our Lord and came to Pinebrook for a time of physical relaxation and refreshment. The number of people attending convocations at Pinebrook this year exceeded the total for the previous year. There were some who made a profession of faith in Christ and numerous Christians testified of spiritual challenge and blessing received as the Lord's servants faithfully presented the truths of God's Word. We especially appreciated having many groups from our Bible Fellowship Churches which came to Pinebrook for weekends and extended periods of time during the year.

Various work projects are always being conducted at Pinebrook to improve the facilities and the Conference Board is very grateful for the many hundreds of hours of voluntary labor expended by members of the Bible Fellowship Church and interested friends on these projects. One area which received special attention was the camping area. It includes trailer space, tents and spacious laundry-washroom facility. A large number of campers spent time with us this summer and at times our tents were completely filled. There are several groups with reservations for trailer-type camping during the fall months.

A new bunk house is almost completed. It is a winterized building and will accommodate forty to fifty young people. Six of the cabins along the highway, near our main entrance, have been restored at a minimum of expense and were in use prior to the close of our summer program.

The board is planning to conduct a Bible conference this winter providing all the arrangements can be completed in sufficient time. New features will be included in the summer program to make it more attractive to all age groups.

The conference board is very grateful for the prayer interest of the Lord's people and financial gifts received.

We recommend that the Annual Conference ratify the by-laws of the Pinebrook Conference Board.

REPORT OF STATIONING COMMITTEE

The Committee organized by electing John H. Riggall, Chairman, and Byron C. Cassel, Secretary.

A call of the roll of churches determined that each of them was represented by its delegate, except Allentown (Salem).

Delegates from the churches that are not self supporting were invited to join the committee as advisory members.

We approve the choice of pastor made by each particular church under the Pulpit Supply System.

Probationer Mark T. Smith asks for a one-year leave of absence. He desires, however, to remain under the care of the Ministerial Candidate Committee.

REPORT OF THE COMMITTEE ON AUDITING

The Committee on Auditing has examined the financial reports and accounts of the following:

Board of Church Extension
 Beneficiary Society
 Committee on Publication and Printing
 Committee to Publish Fellowship News
 Business Manager, Fellowship News
 Conference Treasurer
 Pinebrook Service Board

Due to the lack of time and of supporting information needed to conduct a thorough audit of these accounts, the committee requests that all boards and committees have their accounts audited prior to Annual Conference in accordance with our By-laws, Rule S, page L, 1969 Yearbook.

The committee verified the accuracy of the financial reports of the following boards and committees whose accounts have been audited by designated individuals prior to Annual Conference:

Board of Directors of the Bible Fellowship Church Home
 Board of Directors of Pinebrook Junior College
 Board of Foreign Missions
 Board of Victory Valley
 Pinebrook Bible Conference Board
 Sunday School Promotion Committee

In the opinion of the committee, all reports accurately represent the accounts and all the accounts appear to be in satisfactory condition.

We recommend, that all monies which are due to conference boards and committees be forwarded to them prior to August 31 of the year in which they are to be reported.

REPORT OF PINEBROOK SERVICE BOARD

"For I mean not that other men be eased, and ye burdened: but by an equality, that now at this time your abundance may be a supply for your want: that there may be equality." (II Cor. 8:13, 14)

This passage is applicable to Pinebrook Service Board in many ways. In short, the Board asks patience and a willingness to sacrifice for the difficulties that lie ahead. On the other hand, much has been accomplished during the past year, and it is this fact which gives encouragement for continued improvement in the future.

During the period of October 1, 1969, through June 30, 1970, the following works have been completed: For the College, at Overbrook, both the Library facilities and the Dean of Women's apartment; at Echobrook, all class rooms, laboratory facilities, and rest rooms - also some offices for the teachers. The Conference completions include the installation of a new filtration system for the indoor pool, the renovation of the outdoor pool, the installation of air conditioning at the Snack Shop, and the purchase of the Marsh property adjoining Pinebrook.

Work was nearly completed in the laundry/washrooms/shower and lavatory facility for campers. The Conference also received lumber and parts for a dormitory building, and by June 30 the foundation and outer shell had been erected. A meeting room in the rear basement area of the Administration Building had been almost completed, and renovations were begun on six cabins in the meadow. Also, progress had been made in systematizing the financial records and acquiring a cost analysis.

Work authorized includes the construction of offices in the lounge area of Overbrook by the Pinebrook Junior College. This

would release the former office spaces for dormitory use. A dishwashing machine, with the accessories thereto, was on order for the Dining Hall.

Some long range goals include the need of better sewage disposal and the erection of a combination auditorium gymnasium. The former is a "must" as far as sanitation demands are concerned, and the latter is a facility that would greatly enhance the ministry of both the College and the Conference.

Thanks must be given to the many workers who volunteered their services and/or donated supplies or money. Without these, the operation of Pinebrook would almost be impossible. And of course, the spiritual blessings have abounded and the value of these can not be tabulated on a report like this.
