## 137th Conference Introduction

In normal years, the Bible Fellowship Church Yearbook that you hold in your hand looks pretty much like the year that preceded it. And the year before that. And so on. The same basic format, complete with the minutes from all the individual meetings of our denomination's annual Conference, tables noting the full list of ordained men, photos of newly-ordained pastors. As dependable as leaves changing color each fall in the Northeast.

But 2020 will not be remembered as a normal year. Not by a longshot.

Recognizing that the annual Yearbook of the Bible Fellowship Church represents the official historical record of our denomination, and feeling an obligation to leave some kind of an explanation why, in 2020, BFC Conference was held in October instead of April, it seemed appropriate for the editor to supply some narrative.

The medical name for what befell the United States and the rest of the world is SARS-CoV-2. This highly-contagious flu virus is more commonly known as coronavirus, or COVID-19, for coronavirus 2019. By mid-spring, a theretofore-obscure term for the scope of the virus was known by everyone: pandemic. As in this dictionary definition: “(of a disease) prevalent throughout an entire country, continent, or the whole world; epidemic over a large area.”

How large? By the time BFC Conference convened in a slimmed-down one-day format in early October, world statistics included some 35,600,000 confirmed cases, with more than one million deaths worldwide (and over 200,000 fatalities in the U.S.).

Words like “unprecedented” were thrown around with regularity as the world wrestled with COVID-19, but those kinds of labels need a qualifier: perhaps “unprecedented for us” is more accurate. Because world events have impacted our denomination before. Almost exactly a century earlier, the Spanish Flu forced our forebears in the Mennonite Brethren in Christ to make drastic adjustments.

Go back and check our denominational records and you'll find that our predecessors were masters of understatement. Let the record show that in 1918, the 35th Annual Conference of the Mennonite Brethren in Christ was held from November 4-6, 1918 at our Reading, PA church on Tenth Street. Under normal circumstances, Conference would have taken place in October. Conference was always held in October back then.

When the pastors and delegates convened that year, they opened by singing “What a Friend We Have in Jesus,” after which time was set aside for the giving of praise and thanksgiving. Perhaps they sang with greater emotion that year, not that the minutes indicate. Indeed, not until the fourth session, an evening later, do the minutes reveal anything out of the ordinary. But shortly after the singing of “Nearer My God to Thee,” W.B. Musselman, that year's Presiding Elder, provided a report on the Gospel Worker Society. Trying to sum up what Musselman had said in his

dual role as President of the Gospel Workers, Conference Secretary C.H. Brunner emphasized in the minutes that “there was no sickness among the workers...”

OK, so the Gospel Workers, a stalwart group of committed Christian women whose faithful evangelistic ministry played a key role in the establishment of several Bible Fellowship Churches, were a healthy group. Why was that so important to note in the minutes?

Because the world, which was still engaged in a world war (The War to End All Wars, more popularly known as World War 1) that would not come to an end until the cease fire took effect at 11 a.m. on November 11, 1918, Americans were still dying in the trenches in France while our pastors and delegates were meeting in Reading. It was also being held in the throes of what came to be called the Spanish Flu, which for good reason is known as the deadliest flu pandemic in world history.

The first wave of Spanish Flu, which got its name from the fact that it seemingly first appeared in Europe and Spain was particularly hard-hit, was felt that spring, but a second outbreak, far more virulent and highly contagious, arrived in autumn. Victims died within hours or mere days of showing symptoms. Their skin turned blue. Their lungs filled with fluid. It was noted that in 1918, the average life expectancy in America alone dropped by a dozen years.

By the time the pandemic wave finally subsided, an estimated 500 million people worldwide had been infected, and 20-to-50 million died, including 675,000 Americans. One out of every three humans worldwide contracted a flu for which there was no cure, no vaccine. Citizens were ordered to wear masks. Schools, theaters, businesses, and churches closed, and the Mennonite Brethren in Christ churches were not immune – as the 1918 Annual Conference minutes show, but it takes digging into the meat of the Conference minutes to find any direct reference.

“This Conference Session was postponed from the original dates because of the state-wide quarantine of several weeks on account of the Spanish Influenza epidemic,” Brunner noted. “The quarantine even now was not altogether lifted, but privileges were granted to hold the business sessions only. This accounts for the curtailing of some of the business and the elimination of the usual preaching services.”

Flash forward to 2020. While COVID-19 reached the U.S. in late January when the United States reported its first death and President Donald J. Trump ordered the closing of our borders to and from China, its spread became part of public consciousness in early March.. And by mid-March, the Bible Fellowship Church had joined the national shutdown as public figures urged serious precautions in an attempt to “flatten the curve” against the virus, whose symptoms included fever, difficulty breathing, loss of taste and/or smell, fatigue, cough, and sore throat. COVID-19 especially preyed on the elderly and those with existing health issues. Nursing home facilities were hard-hit, and several of our churches saw members succumb to the virus. March 15 was the first Sunday most of our churches shuttered

their doors, canceling public worship. BFC Conference, scheduled for April 27-29, 2020, was officially postponed a few days later.

While churches locked their doors, worship services continued in many instances via online means like Zoom, Facebook, and YouTube. Our churches and church leaders got creative, and by late May, some of our congregations began to return to on-campus worship while taking proper safety precautions like mask-wearing and maintaining “social distancing” standards. Several of our churches began to hold outdoor worship services before moving indoors as summer turned to autumn.

The decision to reschedule the 137th BFC Conference as a streamlined one-day event was made in mid-August, 2020. After considering the possibility of holding an entirely-online Conference, a hybrid approach was ultimately adopted by the Agenda and Arrangements Committee. Each church was allowed up to one on-campus participant while other pastors and delegates participated on their computers: viewing the proceedings and registering their votes by electronic means. Conference Report Books, which were distributed prior to the original April Conference, were still consulted and utilized by pastors and delegates.

Admittedly, it wasn’t the same as a three-day Conference that allows for worship, teaching, prayer, and full-Conference fellowship as well as the conducting of business. The adjusted agenda focused on what was considered necessary: the passing of budgets, the holding of elections and voting on legislation, etc. While Conference voted to receive two new particular churches (Orchard Hills Church, Upper Macungie, PA; Redeemer Bible Fellowship Church, West Norriton Twp., PA), celebratory receptions were postponed until the 138th BFC Conference, to be held (Lord willing) in April, 2021.

Twelve pastoral candidates were ordained to gospel ministry or had previous ordinations recognized by the BFC, but the annual ordination service was set aside. Study committee reports were postponed until the following April, and several other Conference staples (department reports, end-of-Conference resolutions) were shelved with the hope that by the following spring, Conference could be conducted under more “normal” conditions.

For those of you consulting your Bible Fellowship Church 2020 Yearbook many years from now, this explanation will hopefully be helpful as the coronavirus pandemic becomes a distant memory. Should the Lord tarry and BFC Conference continues, may the lessons learned in 2020 somehow be helpful. One truth remains consistent: God is sovereign. In 2020, He sovereignly ordained that BFC Conference take place over five months later than it normally does. He has His purposes, and those purposes are good, even when He chooses not to explain those purposes to us.

Secretary, 137th BFC Conference

# BFC Conference Proceedings - 2020

## First meeting

Tuesday, October 6, 2020, 9:30 A.M.

Conference Moderator Timothy J. Schmoyer called the 137th BFC Conference to order in Pinebrook's Fellowship Hall at 9:30 A.M. by introducing BFC Executive Director David T. Allen for a number of introductory remarks. Allen noted God's sovereignty in the timing and actions that have led to this Conference, which was originally scheduled for April 27-29. "We submit to His dealings with us and we accept His decisions," he explained. "May we be found worthy of His name in all of our deliberations."

"We come in person and through digital means...to provide collaborative leadership for the Bible Fellowship Church," Allen said, noting that some of the attending pastors and delegates did so, for the first time, via their computers.

After opening Conference in prayer, the Moderator welcomed all who participated in the deliberations, both in person at Pinebrook and via social media. He explained a number of differences between this year's Conference and "normal" years, then ran attendees through voting procedures through a test ballot on their phones.

Following the morning break, Conference Host Chad Strausbaugh, Pinebrook Bible Conference's Site Director, greeted Conference, expressing his thanks and gratitude for the opportunity to serve the Bible Fellowship Church by hosting Conference in these unique circumstances. "We have the desire to keep moving forward, to keep pointing people towards Christ, and to find the best and safest ways to do so."

Strausbaugh emphasized the importance of waiting in decision-making, noting that the decision to allow three weeks of Summer Conference to take place was a blessing for all who attended. “I am thrilled that we waited and had the summer that we had, and that we had the BFC here for three weeks of Conference,” he said. “Lives were changed. The gospel went forward.”

Robert A. Sloan, Jr. provided a short report in his capacity as a member of the Franconia Mennonite Camping Association Board of Directors. He expressed the blessing that selling Pinebrook to Spruce Lake has been. “They meant what they said. They really do want us as a partner, not just as a customer,” he said. “Everything (Spruce Lake Executive Director) Mark (Swartley) said in the beginning was true... They truly value the relationship they have with us.”

**Consideration of a Request from the Board of Elders of New Life BFC, Oley:  
(See page 97)**

Scott Allison, New Life’s senior pastor who was attending Conference for the first time, brought the following request to Conference’s attention while explaining the circumstances that caused New Life’s elders to present it for Conference’s consideration.

**Whereas**, on June 15, 2020, the Supreme Court of the United States issued a ruling in the case captioned *Bostock v. Clayton County*, 140 S. Ct. 1731 (2020), and in that case held as a matter of first impression that sexual orientation, gender identity and gender expression are now protected classes entitling individuals within those classes to protection against discrimination in the workplace under Title VII of the Civil Rights Act of the 1964 United States Code, and

**Whereas**, we believe our churches are increasingly more likely to be ministering to individuals struggling with gender dysphoria and other sexual dysfunction who may desire to be part of the groups of their gender identification; e.g., a teenage boy identifying as teenage girl insists on staying in the girls dorm at Sno-Glo, or an elementary school age girl who is encouraged at home or at school in her sincere belief that she is a boy insists on participating in church activities as a boy, or a man who believes he is a woman insists on using the women’s bathroom, or an employee who suddenly proclaims that he, while born a biological male, has discovered that he is a woman, will be dressing as a woman, and will be using the women’s bathroom, and

**Whereas**, we have been advised by legal counsel of the benefit of having our written statement of faith explicitly address matters of human sexuality as a means of demonstrating support for decisions we as associated church leadership may be called to make, whether in the context of employment, services, or facilities use, and

**Whereas**, New Life Bible Fellowship Church Pastors Scott Allison and Jim MacArthur, and member and Attorney James M. Smith reviewed the current BFC’s Articles of Faith and Biblical Principals of Living to consider whether the language contained sufficiently details the BFC’s theological position on matters of human sexuality and found it to be wanting, and

**Whereas**, the Elder Board of New Life Bible Fellowship Church desires to clarify

our beliefs on human sexuality as set forth in our written Statement of Faith and simultaneously provide a legally-defensible guideline for decisions by leadership of churches and affiliated ministries across the fellowship consistent with it that maybe called to make in accordance with it in a variety of contexts, and

**Whereas**, the Elders recognize that the law and social constructs that have a direct impact on the church and its freedom to minister according to its calling are changing at a seemingly exponential rate and believe that this is by the design of the Evil One, therefore be it

**Resolved**, that the 137th BFC Conference form a committee which would include elders, pastors, laypersons, and legal counsel specializing in these types of issues who will be tasked with reviewing the BFC's governing documents, proposing revisions that will support our effective ministry of the Gospel unhindered by spurious legal constraints or impediments, so as to strengthen our legal defense under the law in all matters, including human sexuality, and further

**Resolved**, that any recommended revisions to the BFC's procedural rules allow for the changes to be adopted temporarily pending full review on issues until such time as our longer process can be followed.

**Resolved**, that the request be received.

**Whereas**, Conference has heard the request from the Oley elders and recognizes the time urgency of what is being presented in it, therefore be it

**Resolved**, that the following serve as part of the answer to the Oley request:

The Bible Fellowship Church understands “man” and “woman” to refer to biological sex assigned by God in the womb. The Biblical Principles for Living reflect portions of our core religious beliefs on human sexuality.

The existing Study Committee on Examination of the BPL on Human Sexuality will include the request from the Oley elders in its ongoing work.

## BFC Conference Proceedings - 2020

### Second meeting

Tuesday, October 6, 2020, 1 P.M.

The Moderator called the afternoon session to order at 1:05 p.m. Kevin W. Kirkpatrick prayed and Ezekiel R. Mack provided an update on his ministry as a military chaplain, having recently returned from active deployment.

**Report of the BFC Executive Board: (See page 23)**

**Resolved**, that the report be accepted.

Bible Fellowship Church Executive Director David T. Allen provided a brief review of the BFC Executive Board report, opening by discussing how we as a denomination dealt with the current COVID-19 crisis. “Early on, we had no idea of the extent of the pandemic,” Allen said, noting that the BFC Executive Board made the decision to free individual congregations to act responsibly. “You are best at deciding what to do in your own particular situation.”

Circumstances, he added, supply churches with newfound opportunities to conduct ministry. “We’ve never had this opportunity to do things fresh and new like we do now.”

The Executive Director provided a thumbnail sketch of the Executive Board’s dealings since the last BFC Conference. Stephen J. Kauffman, a member of the Executive Board since its inception, was called home to glory in June, 2019. The Executive Board approved Byron Roth to join its ranks.

Allen reviewed the BFC’s financial statements and presented both a revised budget for 2020 and a proposed budget for 2021.

**Resolved**, that the 2020 revised BFC Executive Board budget be adopted by the 137th BFC Conference. (See page 37)

**Resolved**, that an assessment rate of two (2.0) percent be adopted by the 137th BFC Conference for 2021 (based on assessable receipts from 2019).

**Resolved**, that the 2021 proposed Executive Board budget be adopted by the 137th BFC Conference. (See page 38)

The Executive Board recommended the following resolutions to the 137th BFC Conference:

**Whereas**, the MRF annuity rate for 2020 was \$221 per year of service, and

**Whereas**, cost-of-living adjustments no longer apply to MRF payments, be it

**Resolved**, that the MRF annuity rate for calendar year 2021 be \$221 per year of service.

Resolution Relating to Rental/Housing Allowances for Retired or Disabled Ministers of this Conference for Calendar Year 2021:

**Whereas,** the religious denomination known as The Bible Fellowship Church has, and functions through, Ministers of the Gospel who are duly ordained or licensed, and

**Whereas,** the practice of The Bible Fellowship Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers, and

**Whereas,** pensions paid to retired and disabled ordained or licensed ministers of The Bible Fellowship Church are considered as deferred compensation and are paid to said retired and disabled ordained or licensed ministers in consideration of previous, active service, and

**Whereas,** the Internal Revenue Service has recognized that The Bible Fellowship Church is the appropriate organization to designate a housing/rental allowance for retired and disabled ordained or licensed ministers who are members of this Conference, therefore, be it

**Resolved,**

1. An amount equal to 100% of the pension payments received during the year of 2021 be and is hereby designated as a rental/housing allowance for each retired and disabled ordained or licensed minister of The Bible Fellowship Church who is or was a member of the Bible Fellowship Church Minister's Retirement Fund.
2. This rental/housing allowance shall apply to each retired and disabled ordained or licensed minister who has been granted the retired relationship or placed on disability leave by the BFC Conference and whose name and relationship to the conference is recorded in the Yearbook of BFC Conference and in other appropriate records maintained by the conference.
3. The pension payment to which this rental/housing allowance applies shall be the pension payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, BFC Conference or institution of The Bible Fellowship Church or of any former denomination that is now a part of The Bible Fellowship Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension funds of The Bible Fellowship Church for such retired minister's pension.

Note: The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-290 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities."

The Bible Fellowship Church Executive Board has recognized that credentialed BFC pastors who were not members of the MRF at the time when the MRF was closed, but still receive pension benefits that were paid by their church into a 403(b) Retirement Plan,

should be able to receive the same recognition as those who receive pension benefits under the MRF.

**Whereas**, the religious denomination known as The Bible Fellowship Church has, and functions through, Ministers of the Gospel who are duly ordained or licensed, and

**Whereas**, the practice of The Bible Fellowship Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers, and

**Whereas**, contributions paid to an authorized 403(b) plan for the benefit of retired and disabled ordained or licensed ministers of The Bible Fellowship Church are considered as deferred compensation and are paid to said retired and disabled ordained or licensed ministers in consideration of previous, active service, and

**Whereas**, the Internal Revenue Service has recognized that The Bible Fellowship Church is the appropriate organization to designate a housing/rental allowance for retired and disabled ordained or licensed ministers who are members of this Conference, therefore, be it

**Resolved**,

1. An amount equal to 100% of the proceeds drawn from a 403(b) plan during the year of 2021 be and is hereby designated as a rental/housing allowance for each retired and disabled ordained or licensed minister of The Bible Fellowship Church who is or was a member of the Bible Fellowship Church.
2. This rental/housing allowance shall apply to each retired and disabled ordained or licensed minister who has been granted the retired relationship or placed on disability leave by the BFC Conference and whose name and relationship to the conference is recorded in the Yearbook of BFC Conference and in other appropriate records maintained by the conference.
3. The pension payment to which this rental/housing allowance applies shall be considered the pension payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, BFC Conference or institution of The Bible Fellowship Church or of any former denomination that is now a part of The Bible Fellowship Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension funds of The Bible Fellowship Church for such retired minister's pension.

Note: The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-290 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities."

## Report of the Committee on Agenda and Arrangements

The committee met three times in fulfilling its mandate to prepare the agenda and worship, and to oversee the logistics and hospitality, of the 137th BFC Conference as it was originally scheduled for April 27-29, 2020.

Once Conference was postponed due to the COVID-19 pandemic, the committee met again in August to make the decision to hold a one-day abbreviated Conference on October 6 as a hybrid event, with some pastors and delegates attending live and others taking part via Zoom.

In addition to the seven appointed committee members, Daniel L. Williams, Joel B. Klase, Donald E. Kuntzman, Nathaniel C. LeTowt, Brian C. McNally, Philip G. Norris, and R. Daniel Wagner served as ex-officio members. The Committee invited the Site Director at Pinebrook Bible Conference, Chad Strausbaugh, to our meetings to assist in coordinating the logistics and hospitality of the BFC Conference.

The original committee report is as follows:

**137th BFC Conference.** This year’s BFC Conference will convene at 6 p.m. on Monday, April 27, 2020 at Pinebrook Bible Conference, East Stroudsburg, PA, and will conclude on Wednesday, April 29, 2020. The theme of this year’s Conference is “Refreshing our Souls.”

**Speakers.** Speakers for the 137th BFC Conference are Carl T. Martin, Philip E. Morrison, and Dennis M. Cahill.

**Orientation.** Orientation materials have been placed in the front of the Report Book that is distributed to each pastor and delegate. We ask that each one take time to review the information prior to Conference, especially those who are voting members of the Conference for the first time.

**Live Streaming.** The sessions of BFC Conference may be viewed via computer live-streaming. This is an asset allowing interested BFC folks from around the globe to view the worship and deliberations of the Conference. Please inform your congregations of this opportunity, which can be accessed through the denominational website: [www.bfc.org](http://www.bfc.org) .

**Roles.** Daniel L. Williams will serve as Registrar and Joel B. Klase as Assistant Registrar. Nathaniel C. LeTowt will serve as Overseer of the Pages. Benjamin J. Armstrong will serve as Head Page.

**Appointments.** The Committee has made the following appointments for the 137th BFC Conference:

**Tellers:** Jonathan H. King, Chairman; Mark A. Bickel, Brad L. Boyer, Scott Kappes, Timothy R. Nessler, Mark R. Orton, Aaron D. Smith, Ronald B. Smith: Alternates: Joshua Dupiche and Carlos G. Rodriguez

Timekeeper: Mark L. Morrison

Committee on Resolutions: Stephen J. Morton, Ronnie Burgess, Scott Wright

**Recommendations:**

1. **Resolved**, that the agenda for the 137th BFC Conference be accepted as the guide for our deliberations, and further

**Resolved**, that the Registrar be authorized to seat alternate delegates when necessary during the Conference and report them to Conference in his report at the conclusion of Conference.

2. **Resolved**, that the 138th BFC Conference be held at Pinebrook, April 26-28, 2021.

3. **Resolved**, that committee reports for the 138th BFC Conference be sent in digital format to the BFC Conference Secretary by Feb. 15, 2021 at sportspastor33@gmail.com.

Norris, Examination of BFC Conference Minutes; Daniel L. Williams, Registrar.

## Report of the Executive Board

The BFC Executive Board takes seriously its responsibilities to stay aware of the conditions of our Departments and churches, rejoicing when appropriate and taking steps to remedy situations that require our attention. Significant events and actions that were taken by the Executive Board this past year include:

As charged by the 136th BFC Conference to respond to the request from the Lebanon Board of Elders, the Board met separately with Duane E. Moyer (Board of Missions Director and former church planter in Guadeloupe), David E. Gundrum (Church Extension Ministries Director who oversees church planting efforts in Mexico), Clifford B. Boone (former missionary who was involved in church planting efforts in Africa), and Calvin T. Reed (pastor of Lebanon Bible Fellowship Church) in order to examine a potential strategy for planting Bible Fellowship Churches in other foreign countries as charged by the 136th BFC Conference. A resolution relative to this discussion may be found at the conclusion of this report.

Encouraged each church to be intentional in growth and development by providing an outside organization (Auxano, founded by Will Mancini, our 2019 keynote speaker) to challenge us and provide tools for advancing the gospel.

Investigated the purchase of 40 acres of land adjacent to Victory Valley Camp. This did not materialize as a relative of the seller purchased the land.

Completed the sale of the Toms River, NJ church building to Alive Again Alliance Church. The BFC does, however, hold a mortgage on the property until that congregation can fully fund the purchase through its own denomination, the Christian and Missionary Alliance Church.

Said goodbye to our brother Stephen J. Kauffman, a member of the Executive Board since its formation, who departed this life for his heavenly home in June. His insightfulness and influence on the Board has been and will continue to be missed.

Worked with Church Extension Ministries concerning the purchase of Living Rock Church in Elverson, PA for the use of a new BFC church plant. The Executive Board agreed with the purchase and should be able to complete that purchase shortly.

Concurred with the decision of Fellowship Community Church to merge with Whitehall Bible Fellowship Church and become a second site for Whitehall, having transferred its membership and financial assets to Whitehall Bible Fellowship Church. Fellowship Community Church is now called *Rock of Ages Church, a ministry of Whitehall Bible Fellowship Church*.

Paid the real estate taxes on a parcel of the southwest Philadelphia church property from 1977-1996 (Emmanuel Bible Fellowship Church that we sold to Eglise Evangelique Beraca in 2000). The city of Philadelphia determined real estate taxes were due during the years we owned the property.

Completed the process and received the IRS Group Exemption 501(c)3 for all existing and future BFC churches. As a part of that process we amended our BFC

Articles of Incorporation to include a dissolution clause. The IRS and the State of Pennsylvania required us to include a “Dissolution Clause” in our Articles of Incorporation and recommended that it also be included in our By-Laws. This clause, modified to fit your church, should also appear in each Particular Church’s Articles of Incorporation. It does not contradict the Faith & Order in that the BFC would dispose of all the assets for the corporation as per Faith & Order Article 408-3.

### **Articles of Incorporation – Dissolution Clause**

If the corporation is dissolved, the Board of Directors (Executive Board) shall, after paying or making provision for the payment of all of the liabilities of the Corporation, dispose of all of the assets of the corporation exclusively for the purposes of the corporation in such manner, or to such organization or organizations organized and operated exclusively for charitable, educational, or scientific purposes as shall at the time qualify as an exempt organization or organizations under Section c (3) of the Internal Revenue Code of 1954 (or the corresponding provision of any future United States Internal Revenue Law), as the Board of Directors shall determine. Any of such assets not so disposed of shall be disposed of by the Court of Common Pleas of the County in which the principal office of the Corporation is then located, exclusively for such purposes or such organization or organizations, as said Court shall determine, which are organized and granted exclusively for such purposes.

Determined that a change in health insurance broker was in everyone’s best interest, from American Insuring Group in Shillington, PA to Indicon, Inc. in Allentown, PA. When this transition has taken place, the Bible Fellowship Church office will administrate the program.

Completed the two-year process and received the continuation of the copyright on our BFC logo and motto from the US Patent and Trademark Office (USPTO). This was accomplished through the pro-bono legal assistance of Panitch Schwarze Belisario & Nadel in Philadelphia.

Resolved to place our northeast Philadelphia church, Wissinoming Bible Fellowship Church, under the supervisory care of the Church Health Committee.

Held ourselves accountable to the standards of the Evangelical Council for Financial Accountability (ECFA) by successfully completing an audit for 2019.

Two significant legal events that occurred during the year might impact some of our churches. The Housing Allowance for clergy has been affirmed again by the US Seventh Circuit Court of Appeals, unanimously reversing a lower federal court that had ruled against the housing exclusion for ministers. Also, the US Department of Labor raised the minimum salary for exemption from overtime pay from \$23,600 to \$35,568 for full time employees, effective January 1, 2020. Full-time Youth Directors and Worship Leaders might fit within this category. For additional information, contact our office or online at [www.ECFA.org](http://www.ECFA.org).

During the year, the Executive Director visited 23 of our churches (not counting his home church) and ministered in 12 of them. It brought great joy to him to be able to celebrate milestones in several of our churches as the Lord's work, though our churches, continues to impact our communities.

The officers of the Executive Board are as follows: Robert A. Sloan, Jr., President; Randall A. Grossman, Vice President; John W. Sullivan, Treasurer; and Ronald L. Kohl, Secretary.

Charles A. Lavigna is the Health Insurance Coordinator.

L. James Roberts and Hans R. Waldvogel serve as the Personnel Committee.

Dennis M. Cahill, Charles A. Lavigna, and John W. Sullivan comprise the Finance Committee for the Executive Board.

For 2020, the Executive Board has retained the following:

Indicon, Inc., as our Health Insurance Administrators,

JetPay as our payroll processing firm,

Brotherhood Mutual Insurance Company as the preferred church liability insurers,

American Bank of the Lehigh Valley as the depository of our funds,

And Molinari, Oswald, LLC as our CPA firm.

The Executive Board wants to maintain a position of being above reproach in all of its dealings and has created a Conflict of Interest Policy, which each member has signed. The written policy may be found at our [www.bfc.org](http://www.bfc.org) website and would be worth considering for adoption by each local church's board of elders.

Financial Statements and Revised 2020 Budget are found on pgs 31-45.

**Resolved**, that the 2020 revised BFC Executive Board budget be adopted by the 137th BFC Conference.

**Resolved**, that an assessment rate of two (2.0) percent be adopted by the 137th BFC Conference for 2021 (based on assessable receipts from 2019).

Proposed 2021 Budget is found on pg

**Resolved**, that the 2021 proposed Executive Board budget be adopted by the 137th BFC Conference.

In addition to our own report, several committees and funds report directly to the Executive Board. These reports, written and financial, have been accepted by the Executive Board. They include the following: Communications Committee, Historical Committee, Youth & Young Adults Committee, Pensions Fund, and the Pinebrook Educational Foundation.

### **Pensions Fund (MRF) Report**

**2019 Review and Status:** The total of Ministers' Retirement Fund (MRF) annuity payments to the 31 beneficiaries in 2018 was \$141,175, as compared to \$147,765 in 2017 (\$153,735 in 2016, \$155,926 in 2015, \$168,000 in 2014, and \$170,830 in 2013). Based

on the current mortality assumptions, the final year of MRF payments to beneficiaries is still projected to be 2038. Between now and then, it is estimated that the MRF will distribute future benefits totaling nearly \$1,500,000.

**Annual Funding:** 2019 was the ninth year that the Executive Board funded the Board of Pensions on a monthly “pay as you go” basis in an amount roughly equal to each month’s payments to beneficiaries. Funding is supported by a portion of the BFC Conference-wide assessments.

**Planned Giving:** The benefits of planned giving were clearly evident in 2019 by way of the receipt of a bequest of \$225,000. The Executive Board urges other members of the Bible Fellowship Church to consider including the MRF in their estate planning arrangements. The simplest and most tax efficient method would be to name the MRF as a contingent or primary beneficiary (for married or singles, respectively) of a portion of an IRA or 403(b) account. This arrangement can be adjusted or revoked at any time, and does not involve changing one’s Will. For more information, please contact the BFC Executive Director.

The Executive Board recommends the following resolutions to 137th BFC Conference:

**Whereas**, the MRF annuity rate for 2020 was \$221 per year of service, and  
**Whereas**, cost-of-living adjustments no longer apply to MRF payments, be it  
**Resolved**, that the MRF annuity rate for calendar year 2021 be \$221 per year of service.

Resolution Relating to Rental/Housing Allowances for Retired or Disabled Ministers of this Conference for Calendar Year 2021:

**Whereas**, the religious denomination known as The Bible Fellowship Church has, and functions through, Ministers of the Gospel who are duly ordained or licensed, and

**Whereas**, the practice of The Bible Fellowship Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers, and

**Whereas**, pensions paid to retired and disabled ordained or licensed ministers of The Bible Fellowship Church are considered as deferred compensation and are paid to said retired and disabled ordained or licensed ministers in consideration of previous, active service, and

**Whereas**, the Internal Revenue Service has recognized that The Bible Fellowship Church is the appropriate organization to designate a housing/rental allowance for retired and disabled ordained or licensed ministers who are members of this Conference, therefore, be it

**Resolved**,

1. An amount equal to 100% of the pension payments received during the year of 2021 be and is hereby designated as a rental/housing allowance for each retired and

disabled ordained or licensed minister of The Bible Fellowship Church who is or was a member of the Bible Fellowship Church Minister's Retirement Fund.

2. This rental/housing allowance shall apply to each retired and disabled ordained or licensed minister who has been granted the retired relationship or placed on disability leave by the BFC Conference and whose name and relationship to the conference is recorded in the Yearbook of BFC Conference and in other appropriate records maintained by the conference.

3. The pension payment to which this rental/housing allowance applies shall be the pension payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, BFC Conference or institution of The Bible Fellowship Church or of any former denomination that is now a part of The Bible Fellowship Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension funds of The Bible Fellowship Church for such retired minister's pension.

Note: The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-290 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities."

The Bible Fellowship Church Executive Board has recognized that credentialed BFC pastors who were not members of the MRF at the time when the MRF was closed, but still receive pension benefits that were paid by their church into a 403(b) Retirement Plan, should be able to receive the same recognition as those who receive pension benefits under the MRF.

**Whereas**, the religious denomination known as The Bible Fellowship Church has, and functions through, Ministers of the Gospel who are duly ordained or licensed, and

**Whereas**, the practice of The Bible Fellowship Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers, and

**Whereas**, contributions paid to an authorized 403(b) plan for the benefit of retired and disabled ordained or licensed ministers of The Bible Fellowship Church are considered as deferred compensation and are paid to said retired and disabled ordained or licensed ministers in consideration of previous, active service, and

**Whereas**, the Internal Revenue Service has recognized that The Bible Fellowship Church is the appropriate organization to designate a housing/rental allowance for retired and disabled ordained or licensed ministers who are members of this Conference, therefore, be it

**Resolved.**

1. An amount equal to 100% of the proceeds drawn from a 403(b) plan during the year of 2021 be and is hereby designated as a rental/housing allowance for each retired and disabled ordained or licensed minister of The Bible Fellowship Church who is or was a member of the Bible Fellowship Church.
2. This rental/housing allowance shall apply to each retired and disabled ordained or licensed minister who has been granted the retired relationship or placed on disability leave by the BFC Conference and whose name and relationship to the conference is recorded in the Yearbook of BFC Conference and in other appropriate records maintained by the conference.
3. The pension payment to which this rental/housing allowance applies shall be considered the pension payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, BFC Conference or institution of The Bible Fellowship Church or of any former denomination that is now a part of The Bible Fellowship Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension funds of The Bible Fellowship Church for such retired minister's pension.

Note: The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-290 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities."

512-4 Pinebrook Bible Conference (deletion). See p. 23 of 2019 Yearbook.

511-1.7(5) BFC Life Committee. See pp. 23-24 of 2019 Yearbook.

511-1.7(2) Christian Education Committee (deletion). See p. 25 of 2019 Yearbook.

511-1.7(2) BFC Education and Training Committee. See pp. 25-26 of 2019 Yearbook.

The Executive begs the indulgence of Conference to make some minor adjustments to the Faith & Order without going through the multi-step First and Second Reading process. We consider the following merely “cleaning up” items and hope you will agree:

Because the Christian Education Committee no longer exists, we propose the following adjustments to Article 406-3, Youth Organizations:

406-3.5 – Delete the final sentence, which reads, “The Board of Christian Education offers to serve as a consultant for any Particular Church formulating a Youth Fellowship Constitution.”

406-3.6 and Article 406-3.7 – Delete these because they deal, in their entirety, with the Board of Christian Education.

407-3, Offerings – Article 407-3 (1), replace “Board of Christian Education” with “BFC Training and Educational Committee.”

407-3 (5) – Change “Pinebrook Bible Conference” to “BFC Life Committee.”

407-5 – Delete “duly elected” and “alternate delegates” so it now reads, “Each pastor shall inform the Registrar of BFC Conference of the names of the BFC Conference delegate(s) by way of the BFC Conference Registration Form.”

The following two minor adjustments simply represent actual practice in Article 409, Pastoral Change Procedure:

409-1.11 – Change fifth sentence from “We will also pay you a sum equivalent to your self-employment tax (FICA)” to “We will also pay you a sum equivalent to one-half of your self-employment tax (FICA).”

409-1/2 – Change formal statement in fourth sentence from “We also will pay you a sum equivalent to your self-employment tax (FICA)” to “We also will pay you a sum equivalent to one half of your self-employment tax (FICA).”

Article 512, Board of Missions

512-3.4, Duties of the Board Officers – Change first sentence of 512-3.4 (3) so it reads, “He shall be responsible under the supervision of the Executive Board for the development of vision, strategy and mobilization for world evangelization among Bible Fellowship Churches...”

### **Executive Board response to its assignment from the 136th BFC Conference relative to the request from the Board of Elders of Lebanon Bible Fellowship Church**

The Executive Board concluded that the Board of Missions may initiate the planting of cross-cultural churches in places or among people groups with which Church Extension Ministries is not working. It is understood by both boards that when such a church plant approaches maturity, it will be encouraged to work with Church Extension Ministries to become a particular Bible Fellowship Church.

**Whereas**, the Board of Elders of the Lebanon Bible Fellowship Church presented a request for consideration by the 136th BFC Conference relative to the possibility of planting or establishing Bible Fellowship churches in foreign countries (see request from Lebanon Board of Elders, 2019 Yearbook, p. 16), and

**Whereas**, their request concluded with this resolution:

**Resolved**, that the Bible Fellowship Church charges the Executive Board to examine a potential strategy for planting Bible Fellowship Churches in other foreign countries,” and

**Whereas**, the Executive Board has, in compliance with the received request of the Lebanon Board of Elders, met with various members of Conference to help the Executive Board understand how or if such a strategy could indeed be developed and

**Whereas**, the Bible Fellowship Church already has a church and a mission in Mexico which would benefit from a policy that would clarify the relationship between the church in the United States and Mexico, therefore be it

**Resolved**, that the Executive Board looks with favor on the desire of Lebanon Bible Fellowship Church to establish a daughter church or churches in a foreign country, and further,

**Resolved**, that Lebanon Bible Fellowship Church be encouraged to proceed in developing its plans for such an undertaking under the advisement of the Executive Board and its departments and further

**Resolved**, that the Executive Board report to the 138th BFC Conference any specific recommendations for managing any strategy the Executive Board may, after consultation with other BFC departments, believe to be necessary for extending the Bible Fellowship Church in foreign countries.

**Bible Fellowship Church Executive Board**: Robert A. Sloan, Jr., President; Randall A. Grossman, Vice President; Ronald L. Kohl, Secretary; John W. Sullivan, Treasurer; David T. Allen, Executive Director; Dennis M. Cahill, Steven J. DelDuco, Charles A. Lavigna, L. James Roberts, Jr., William G. Schlonecker, Hans R. Waldvogel, Ricky D. Whitmire.

### NOTES TO THE FINANCIAL STATEMENTS Years Ended December 31, 2019 and 2018

#### Agency Funds, Continued

A summary of agency funds' receipts and disbursements in the years ended December 31, 2019 and 2018, and the balance of agency funds at December 31, 2019 and 2018, are as follows:

Agency funds, at December 31, 2019	<u>\$ 355,492</u>

#### Retirement Arrangements

The Organization sponsors a defined benefit plan (the "Plan") for its retired pastors who had attained minimum age 55 as of January 1, 1993 and had served as a Bible Fellowship Church pastor for 15 or more years as of that date. Payment of benefits begins at age 65. Benefits are paid monthly in the form of a life annuity, using a schedule based on retirement age and years of service. Annual benefits have been frozen at \$221 for each year of service. The Organization funds benefits on a pay-as-you-go basis and paid benefits of \$135,580 and \$141,177 to beneficiaries in the years ended December 31, 2019 and 2018, respectively. At December 31, 2019 and 2018, the Organization held cash of \$17,053 and \$16,671, respectively, which is designated for payment of future benefits under the Plan. The Plan had 28 and 31 active beneficiaries at December 31, 2019 and 2018, respectively. At December 31, 2019 and 2018, the Plan's projected benefit obligation was approximately \$861,000 and \$947,000, respectively.

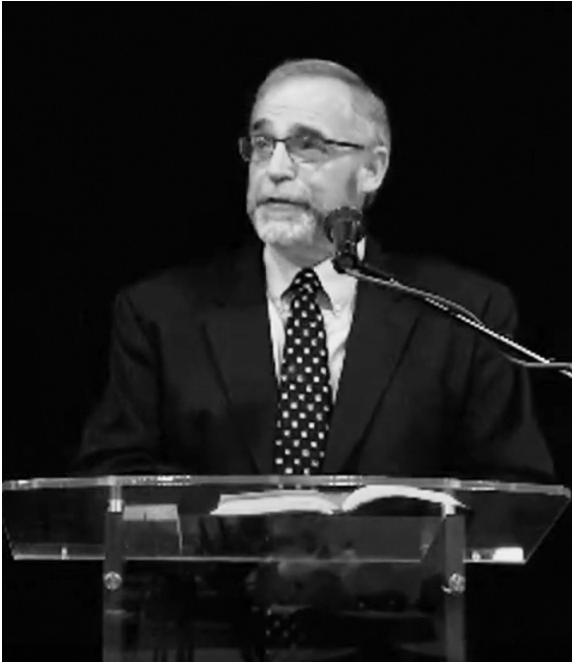

Benefits expected to be paid under the Plan in each of the next five years and in the aggregate for the five years thereafter are as follows (in thousands):

Years ending	
<u>December 31,</u>	
2020	\$ 135
2021	131
2022	99
2023	78
2024	74
Years 2025-2029	<u>241</u>
	<u>\$ 758</u>

**Retirement Arrangements, Continued**

The Organization has not recorded the Plan's projected obligation for benefits as required under generally accepted accounting principles in the United States of America. If the required projected obligation for benefits were recorded in the accompanying financial statements in accordance with generally accepted accounting principles in the United States of America, liabilities would have been increased by approximately \$861,000 and \$947,000 and net assets without donor restrictions would have been decreased by approximately \$861,000 and \$947,000 at December 31, 2019 and 2018, respectively, and the change in net assets would have been increased by approximately \$86,000 and \$123,000 for the years ended December 31, 2019 and 2018, respectively.

In the years ended December 31, 2019 and 2018, the Organization also contributed \$22,888 and \$22,888, respectively, to certain retired missionaries under an informal arrangement.

BFC Executive Director David Allen makes a point while presenting the Executive Board report.

## Report of the Department of Missions

In 1858 our forebears, a band of revivalists and traveling preachers distinguished by their evangelistic fervor, established The Evangelical Mennonite Society. Their passion for the lost and unreached of the world was evident. Even before they had agreed on a confession of faith or rules of order governing their own congregations, the Society drafted a constitution for what was to be known as The Home and Foreign Missionary Society. There is no denying that the intention of the Society was to carry the gospel to the unreached, wherever they might be found. Nevertheless, it seems that whenever an opportunity for action presented itself, some legitimately urgent item of business would come up that required immediate attention. In the end, it would be 39 years before the first formally-commissioned foreign missionary would go out in the Society's name.

The lesson to be learned is that, even armed with the best of intentions, there is probably no aspect of the Church's mandate that is easier to postpone, to overlook, to dilute, or to distort than Christ's command to make disciples, new ones, of those who are outside the fold; those who have not yet heard in a meaningful way, whether they be near at hand or far away; to go to them rather than waiting for them to come to us.

To stay on task requires clarity of purpose, vigilance, and resolve.

The challenge before the Board of Missions and the Bible Fellowship Church today is in some ways different than that faced by our predecessors. We have envoys aplenty, 127 of them, and we have 34 agencies helping to provide them with administrative and technical services. They serve in 28 nations and 12 states. Forty-three churches of our Fellowship contribute to their financial support. Our challenge does not come in the area of numbers. Our challenge comes in the area of clarity of purpose; of definition. Definition was needed because in some people's minds the word "missionary" had come to mean "anyone serving outside the BFC in a ministry for which they needed to raise support."

The question needed to be asked: when we speak of "missions," what do we mean? And when somebody is a "missionary," what is to be expected of him or her?

The Board of Missions has put forth the following definition: "A Missionary is someone who is actively and primarily engaged in seeking out and proclaiming Christ to those who have the least opportunity to know Him. He or she is diligently leading them to join with other believers in following Him, and equipping them as proclaimers of the gospel and disciple-makers in their own right."

In the Board's thinking, a missionary initiative may have a humanitarian or even a business component. Examples from among our own missionary family would include outreach to refugees in Greece and Ontario, or several of our envoys engaging in business as mission in Central Asia. But business and humanitarian aid are only the platform; the primary commitment of each of them is to actively seek out and engage "those who have the least opportunity to know Christ."

In recognition of the fact that approximately half of the workers serving under the Board of Missions are working in support functions of either an administrative or a

practical nature, we have identified two other categories of service:

1. The Practical Missionary Partner is a person primarily engaged in providing practical and technical support to the missionaries, enabling them to do their jobs. Examples would include our mechanics, shipping clerks, MK (missionary kid) school teachers and house parents.
2. The Administrative Missionary Partner is a person primarily engaged in providing the administrative services required for a Sending Agency to keep its missionaries on the field. Examples would be our counselors, field directors, and home office personnel.

There are those who feel that, with these categories, the Board of Missions is favoring one person over another. This is not the case. Everyone serving under the Board of Missions shares the title of Envoy of the Bible Fellowship Church, and they all receive the same attention and services.

On the other hand, we are definitely attempting to emphasize and incentivize particular kinds of vocations; vocations that are most directly involved in “seeking out and proclaiming Christ to people, wherever they might be found, who have had the least opportunity to hear the Good News presented in a way that they can understand.” This, we believe, is in keeping with who we mean to be as a denomination and what our values are as indicated by our History, our Vision, and our Principles of Order.

### **Our History**

In the early days, the meaning of the word “missionary” was clear: it was someone whose primary responsibility was to find and engage lost people and to preach the gospel to them. The support and administrative needs of these missionaries were largely assured by an unsalaried committee of pastors and willing volunteers. No one would have considered these volunteers to themselves be “missionaries.” They gladly and diligently served in support of the missionaries and were recognized for their service.

The increasing complexity of managing an international workforce now requires a large staff of specialized and salaried workers. As we ourselves require the services they provide, we also help to support them. But are these administrative and practical support workers missionaries? It seems more accurate – and just as honorable – to refer to them as “missionary partners.”

### **Our Vision**

Our stated vision is to be “An Expanding Fellowship of Churches United to Make Disciples of Jesus Christ.” It is only logical that a person sent out as a “missionary” by the Bible Fellowship Church should be primarily engaged in doing “out there” just what we are striving to do in our own towns and neighborhoods. By making it clear that we reserve the title “missionary” for those who are directly engaged in establishing reproducing communities of disciples where none existed before, we are acting to incentivize initiatives that contribute most directly to the fulfillment of our denominational vision.

### **Our Principles of Order**

Articles 202-2.1(5) and 202-3.2(4) of our Principles of Order describe the reciprocal

responsibilities of a church and its members. The verses given in support of those articles are particularly compelling, and it is reasonable to expect that anyone who is sent out as a missionary should display that heart and those competencies described in our Principles of Order. They should naturally seek to be engaged as directly as possible in initiatives that give them a chance to exercise those qualities. It is also reasonable that our definition of “missions” and “missionary” should reflect that expectation.

### **Missionary Movements and Re-assignments in 2019**

- Larry and Nancy Allen retired from ABWE but remain active in outreach to the Bengali Community in the Hatfield area in partnership with Bethany Bible Fellowship Church.
- Bill and Shirley Novak retired but are still active with IBEC Ventures, consulting, coaching, and training people who are using business as missions internationally.
- Paul and Kathryn Kline retired from World Team after many years of service in Papua New Guinea and Greece.
- Jay and Hanna Breish resigned from The Fold and are now serving with New Heart Living, a counseling service.
- Phil and Jan Morrison relocated from Kenya to the United States, where they continue to minister to missionaries serving under AIM.

### **Benefits to a church of working together with the Board of Missions**

A number of particular churches are supporting missionaries outside of Board of Missions channels. We are not hostile to this reality. Rather, we see it as further evidence of the missionary zeal of our Fellowship. But we also see it as evidence of a need to make a stronger case for working through established channels. Consider the following:

1. The Board of Missions application process is as rigorous as that of most mission agencies. It provides a second opinion on an applicant’s aptitude and preparedness for missionary service and it provides clarity and definition regarding the initiative to which they will be assigned.
2. The Board of Missions is independent of any local elder board or congregation, and may therefore be more objective in its assessments than local leadership is able to be.
3. If we seriously pursue the focus described in the first section of this report, approval by the Board of Missions would help ensure that a church’s missionary resources are being wisely invested.
4. Being able to relate to the entire Bible Fellowship Church through the Board of Missions simplifies accountability and deputation for our missionaries and for the agencies under which they work.
5. With good reason, the slogan of the BFC refers twice to the principle of working together: We are “An Expanding Fellowship of Churches United to Make Disciples of Jesus Christ.” When we act in unity and true fellowship we enrich and strengthen each other, and we multiply the resources – spiritual, human, and

material – that we can bring to focus on strategic, shared initiatives.

6. The Director’s ability to speak with leaders of various sending agencies on behalf of our entire Fellowship has resulted in several of these agencies agreeing to draw up plans for initiatives specifically suited to our interests and priorities.
7. A good portion of the Director’s time is devoted to correspondence with individual missionaries about specific situations. The Board of Missions, representing an entire fellowship of churches, has been very effective in advocating for its missionaries in the unfortunate situations that sometimes arise on fields, between missionaries and their agencies, and between missionaries themselves. Envoys of the Bible Fellowship Church have repeatedly testified that the pastoral care, oversight, and accountability offered by our church surpasses what many of them receive from their own sending boards.

### **Resources**

The following resources are available to local churches through the Board of Missions staff:

- The Director, Duane E. Moyer, is available for consultations with local missions committees, and can provide information regarding missions opportunities, and speakers for missionary events and pulpit supply.
- John Elias is available for church or small group training in Muslim outreach.
- For assistance in organizing and deploying work-teams, see Chris and Becky Merrick.
- See Nelson Randolph for hands-on opportunities for children’s groups, youth groups, senior citizens, and others so they may get directly involved in missions through Operation Christmas Child and similar initiatives. He is willing to work with churches that want to organize community events as well – an innovative way to reach non-churched people.

### **Credits to the BFCBOM Office Staff**

Associate Director Donald E. Kuntzman keeps track of all financial matters, receipting contributions and transmitting funds to the various Agencies under which our missionaries serve.

Office Secretary Jodi Shorb is the first person that visitors meet or that callers hear. She receives and distributes all mail, maintains our mailing lists, prepares the various mailings, collects and formats the Prayer Calendar and Friday Prayer, maintains a file of each missionary’s communications, and keeps records as requested.

### **Credits: Board of Missions**

The Director wishes to commend the members of the Board of Missions. Their challenging questions and insightful counsel are invaluable in the development of our focus and definitions. Their passion as servants of the Great Commission, and their devotion to the well-being of our envoys, is beyond compare.

Respectfully Submitted,

## Report of Church Extension Ministries

*“...Aaron and Hur supported his hands...”*

*Exodus 17:12*

This past year was filled with challenges and victories. It was evident that if Church Extension was going to carry out its charge of expanding the Bible Fellowship Church it would need the support of its partners and the churches of the BFC. No ministry that is on mission with God, especially an evangelistic church planting mission, can do battle by itself.

In Exodus 17, when Moses became fatigued and his arms dropped, Amalek prevailed. Support was needed and it came in the persons of Aaron and Hur, who stepped in when the going got tough for Moses, held up his arms, and, in the end, the army of Israel was victorious.

We face very taxing times. A number of our partnering churches are facing their own challenges. Each year we lose valuable prayer partners and financial supporters due to their home-goings or a reduction in their incomes. The target sites we are seeking to plant in are becoming more and more resistant to the gospel. Your BFC planters are stressed by the pressures of planting, and fewer men are following the call to pastoral and planting ministries.

But hold on; not all is so bleak. We had a growing list of new people committing to pray, new donors are catching the vision of Church Extension, and our donor list grew in 2019. We were able to meet our budget, assist several plants with special project funding, and hold two successful fundraisers. Several new potential planters knocked on our doors this past year and we are working with them to plant. Our Vision & Strategy Committee began developing a new “2 by 2” team planting strategy. A subgroup from the Committee is planning an annual Church Planters Boot Camp Training, where we will not only help our BFC planters but also seek to attract men from outside the BFC to join our planting efforts. With Rachel Schmoyer joining our team in the office, we were able to further develop our branding and communications. We are presenting two Mission Churches at this year’s Conference, to be received as particular BFC churches. We have been working to move several of the Mission Churches off their plateaus, and a number of other plants are nearing graduation: like the Forks Township Mission Church, which is planning on a 2021 graduation.

Because a number of BFC churches and Mission Churches have plateaued in growth, we produced a resource manual called *Leveling Off: Is Your Church Growing or Plateauing?* That resource is available on the Church Extension website.

In 2019 we continued to focus on multiplication—on churches planting churches—and we will continue to do so. A number of particular churches are discussing daughter church planting and several BFC Regions have discussed regional church planting. We produced materials to assist the churches and regions regarding multiplication. Dick Taylor and I, along with members of our Vision & Strategy Committee, visited churches to encourage them to look into multiplication.

A goal was set to have 75 BFC churches by 2021. Unless the Lord blesses us with

His addition, that goal may not be accomplished. By 2021, Lord willing, we will have 60 BFC churches. There remains one area that could help us grow: namely, our efforts to connect non-BFC churches to the fellowship.

The support we received from our partners, supporting churches, and others in 2019 was extremely valuable. They held up our arms as we faced fatiguing and demanding circumstances and, like the army of Israel, we experienced God's blessings. God promised to blot out the memory of Amalek, and we trust He will blot out the attacks we faced this past year, allowing us to move forward as we remember the Lord's faithfulness.

The greatest blessings this past year were witnessing God's saving grace in the lives of numerous people at your Mission Churches, and the baptisms that were held. Church Extension remains a servant to the Bible Fellowship Church and seeks to expand our fellowship and make disciples through the ministries of new BFC churches.

We praise God for the many years of faithful ministry that our brother Alfred G. Roberts gave to Church Extension Ministries. Our dear brother is now in glory, seeing Jesus face to face after a long and valiant struggle with cancer. We praise God for His faithfulness to Al and for Al's faithfulness to the Lord Jesus!

Please uphold us in your prayers and look for ways to join us in expanding the Bible Fellowship Church!

**Review of 2019 in Church Extension**

- The BFC Mission Churches recorded 21 people making professions of faith and 42 baptisms! All glory to God!
- Finances and Administration  
Total financial giving from BFC churches increased slightly despite two churches making significant reductions in their giving. A number of BFC churches are not able to give support to Church Extension.
- Our donor list and donor giving increased.
- Don Skekel served fruitfully as Development Manager.
- Administrative Assistant Laurie Kuhns continues her duties in the office. Rachel Schmoyer was hired to assist in the office and work on communications, marketing, and our branding.
- A new website is in the works and will be completed early 2020.
- Various publications, prayer letters, and other literature were produced to assist your planters.

### *Coaching, Training, and Partnership*

- Two Training Days were held for our men including guest presenters. A Roundtable for the planters was held at Fellowship Community, where the planters came together to pray and share.
- We provided counseling assistance to three of our church planters and their wives.
- We held monthly and some quarterly coaching sessions with all the church planters.
- Work teams and individuals from various churches assisted with renovations and maintenance repairs.
- In DELMARVA, Ray Bertolet serves as our Assistant Church Planter. Ray assists the church plant in Chestertown, MD, Joshua Dupiche in Philadelphia, and Phil Ruiz in Milford, DE. Ray does yearly evaluations of our properties and engages in demographic studies for new sites. We continue our efforts to plant churches in DELMARVA; that region is discussing regional planting.
- We are thankful for the Aquila & Priscilla Teams that serve our church plants: Jason & Joanne Englehart, and Harry & Sandra Workman. The Workmans have resigned; a big “Thank you” for their many years of assistance. We need new A & P teams.
- Our staff presented the mission of Church Extension on over 70 different occasions. The Director spoke in 36 churches over this past year while Dick Taylor, Ray Bertolet, and Diego Rodriguez conveyed our mission on 34 occasions between them.
- Church Extension is blessed with faithful volunteers for our prayer letter mailings.
- The Director served on the Ministerial Candidate Committee, along with coaching and meeting with various BFC pastors and BFC churches to assist them. He also held numerous meetings with prospective church planters and with a number of churches seeking to connect with the BFC.

### *Mission Churches and Church Planters*

- Stephen Diaz is planting the multi-cultural Lighthouse BFC in South Allentown. The Mission Church is looking into relocation and ways to grow.
- Joshua Dupiche is planting in Philadelphia. Joshua is seeking the Lord’s leading for the future of his planting in the city.
- Brad Boyer is planting Cape Community Church in Cape May Courthouse, NJ. He looks for ways to grow the mission and to reach a very challenging target area.

- Daughter Church Planting remains a high priority for Church Extension. The Topton, PA project is a church planting focus of the Berks County, PA Region.
- The Chestertown, MD Mission Church, under the leadership of James Reff, has prioritized disciple-making and outreach in order to grow the church.
- The Naples, FL Mission Church has experienced good growth under Jason Filbert's leadership and has moved into a larger facility.
- The Lancaster City, PA Mission Church was opened with Juan Carlos Morales (Los) as the church planter. This plant is a unique multi-cultural church plant with a gifted core of leaders. The church is bringing the Doctrines of Grace into the city in various ways of teaching and discipling.
- The Milford, DE Mission Church is led by Phil Ruiz. There were ups and downs this past year but praise to God for how He worked in the church plant, bringing it back on course.
- The Upper Macungie, PA Mission Church, a daughter church from Cedar Crest BFC with Ben Triestman as the church planter, grew significantly this past year and will graduate at Conference.

#### Church Planting Across Cultures

- La Roca in Reading, PA, under the leadership of Carlos Rodriguez and his elders, is still seeking the Lord's will for the church's future and for possibly planting a daughter church. The church is still connected to Church Extension because it is not yet 100% self-supporting.
- Diego Rodriguez is assisting at LaRoca and is our new Hispanic Ministry Liaison Intern. He also assists with the ministry center in Lancaster; TheCenter (El Centro).
- TheCenter in Lancaster City held numerous outreaches, events, and mercy ministries. It is also a place for Christ Alone, a new multi-cultural church plant in Lancaster, PA under the leadership of Los Morales, to minister from.

## Report of Victory Valley Camp

We thank God for the many blessings we have received through 2019. God continues to show Himself in many ways through His Creation and His Word. “Sharing God’s Word in God’s Creation with Godly Role Models” continues to be our focus in all we do.

### Winter Blast 2019

“Light of the World” was our theme as campers learned how Jesus shines in our dark and sinful world. A total of 193 campers attended during the four weeks, with 12 churches sending groups. Seventy-six staff helped make this year’s weekends safe and enjoyable.

### Summer Camp 2019

“Jesus Is...” was the theme as we looked at characteristics of Christ that we should emulate in our lives. Campers learned that Jesus is selfless, compassionate, trustworthy, patient, and courageous.

Our staff studied the life of Christ as seen in the Gospel of John. Ben Brown ran our weekly Discipleship Program. God provided 70 young people to serve as Summer Missionaries; 46 were returning staff and 42 came from BFC Churches. In all, 910 Campers enjoyed summer camp, making it three years in a row with 900+ campers. Here are excerpts from some emails we received after camp, explaining some of the impact that the ministry of Victory Valley Camp has had on both campers and staff:

“Our son has been anxious and stressed [during] this first week of school. This morning he cried at the breakfast table. I then heard him singing songs from your camp in his room. He later came downstairs all smiles and ready for the day. Your work makes a difference. Thank you.” [From a camper parent]

“More willingness to listen to teaching; more understanding of purpose of meeting... AKA Bible study; some are reading Bible on their own. [Pastor] is helping guide them; ‘happier attitude’ [and is] now willing to sing songs before study; open willingness to [having pastor] meet with their parents; still talking about V.V. week.” [In reference to changes that a pastor has seen in teens he sent to camp]

“Most of the people [that] showed up for the party were camp friends. My house was like a mini camp: the screaming, laughing, singing [about] Jesus Christ. [The] unity those campers created was an example to follow; some of them drove almost three hours and spent the night over.” [Staff parent referencing her daughter’s graduation party]

### Facilities

The lower level of the new building was finished in April. The camp offices and souvenir shop are located there, along with a much-needed meeting room. Cabin Slope had major repairs due to tree damage. Our Facilities Manager, Eric Rice, has moved on and the new Head of Facilities, Steve Pruitt, started in the fall. A new year-round position was created this past fall. Amy Brown now serves as Cook/Housekeeping.

## Report of the Communications Committee

The Communications Committee is responsible for the production and management of the print and internet media of the Bible Fellowship Church. It met four times since the previous BFC Conference. The following items summarize activity from this past year:

1. Four issues of the OneVoice magazine were released during the past year, with 4500 copies distributed per issue. Ralph E. Ritter continues to serve as editor. Many different members from various BFC churches continue to submit materials for publication in OneVoice. The committee encourages members and attenders to submit articles to review for publication. Submission guidelines are available from Ralph Ritter. We are very grateful for all the submissions we have received. We are also developing OneVoice online.

2. Twelve issues of the Fellowship News bulletin insert were released during the past year. Carolyn Ritter continues to serve as editor. Fellowship News is sent to the church secretary or another designated individual in each church for copying and distribution. Churches also receive an email version which can be used as an alternative. To receive Fellowship News please contact [bfc.fellowship.news@gmail.com](mailto:bfc.fellowship.news@gmail.com) and specify the appropriate church contact person. The committee is grateful for all the church submissions regarding new members, baptisms, and other church happenings.

3. Again this year, the committee was responsible for producing the Annual Yearbook. Donald E. Kuntzman coordinates this project.

4. This year we produced a new informational brochure titled Salvation: The Doctrine of Soteriology. Our library of informational brochures includes the following titles: The Bible Fellowship Church, Eschatology, and Church Membership. These can be purchased on BFC.org. New brochures are being drafted on the following topics: “The Lord’s Supper,” “Baptism,” and “What is Reformed Theology?”

5. The Committee received publishing income of \$5,184.31, which represents an increase of \$715.38 from 2018. Expenses for 2019 totaled \$30,533.44, up \$5,623.97 from 2018. This includes the production costs of the 2018 Faith and Order. All materials produced by the Communications Committee can be ordered at [www.bfc.org](http://www.bfc.org).

6. Rachel Schmoyer from Whitehall BFC continues to coordinate our social media initiative. She is regularly posting new content to Facebook, Instagram, and Twitter. Through this initiative, several new contacts have been realized.

**Communications Committee:** Donald E. Kuntzman, Chairman; Matthew Printz, Secretary; Ralph E. Ritter, Editor, BFC OneVoice; Rachel Schmoyer, Social Media; Diego Rodriguez, Spanish Language Publications Coordinator; Greg Alderfer, David T. Allen, Ronald L. Kohl, Kaylena Radcliff, Jeff Tintle.

## Report of the Conference Pastor

*“For this reason I too, having heard of the faith in the Lord Jesus which exists among you and your love for all the saints, do not cease giving thanks for you, while making mention of you in my prayers; that the God of our Lord Jesus Christ, the Father of glory, may give to you a spirit of wisdom and of revelation in the knowledge of Him.”*  
*Ephesians 1:15-17*

These verses from Ephesians have stirred within me, reminding me of how precious my ministering brethren are and the tremendous task and privilege that each has as a pastor. Also, I am more and more aware of how I must keep growing in knowing my Savior. And so, as I pray for you, I see it as very important to ask that the Lord will “give you a spirit of wisdom and revelation in the knowledge of Him.”

God has entrusted to each of us to be leaders of His church, under the authority of Christ, and to be a reflection of His light; to God be the praise!!

I feel blessed and humbled to be able to serve alongside you men for the glory of God. He daily gives us what we need and reminds us of His gifts to be used in His church for the building up of the body.

I am thankful, once again, for the privilege of joining as many regional prayer times as possible. Our times together are a blessing and the building of relationships in those meetings is precious. Thanks for being transparent. Our great God knows our hearts, knows our situations, and has the answers that will bring honor to Him. How marvelous He is!!

Please remember to put these regional meetings on your schedule and attend them for the opportunity to encourage each other. I know it is not always possible to attend every time but it is refreshing to gather for fellowship and prayer.

I want to praise our Lord for His provision of the godly men He is bringing to the BFC. They are a blessing to us and I pray that we will be a blessing to them as they and their families acclimate themselves to new locations and new church families.

At the time of this writing the following churches are without a pastor: Cornerstone, NY, Exeter, PA, Mt. Pocono, PA, and Steelton, PA. We also have some churches that are looking to add to their staff and are going through leadership transitions. Please remember the body of Christ at each of these churches and give thanks for the Lord’s faithfulness as they continue to serve their communities.

We give praise to Christ, the Head of the church, for the joy of His providing 12 men this year to be ordained or to have previous ordinations recognized. These are men who are committed to the Lord and His word. All thanks is given to the Son of God.

My wife Sharon and I are humbled to be able to serve alongside you men and your families, and to have the opportunity to pray for and encourage you. We are thankful that the ladies have the possibility to network through Facebook and through the pastors-wives yahoo email group. If your wife wants to join either or both of these, please have her contact Sharon or me with any questions.

After many years of serving the Lord, Terris L. Byrd is now worshipping Him in glory. I am thankful for his years of service and love for Jesus. Please pray for his wife Dee and for family and friends to know God's grace and comfort. Also called home to glory in the past year were James R. Batchler, George E. Herb and Florence Gehman, wife of retired missionary Richard J. Gehman. These families would appreciate your prayers.

Several of our fellow pastors and wives had loved ones pass away this last year. Please pray for them as well in the loss of these dear ones. Relationships are wonderful and given to us by the Lord, but the pain is very real when we no longer have them around to enjoy and to grow together. May they know His grace is sufficient during times of grieving.

I would like to remind you again of the Darlene J. Mahurin Memorial Fund and the assistance it provides for our ministers. This is a tax deductible fund under the umbrella of the BFC. Any donations can be made by check payable to "Bible Fellowship Church." If you have a financial need or know of another BFC pastor who has a need, please talk to me.

We were thankfully able to financially assist some pastors and their families this past year—to a total of \$3,265. I also praise the Lord and am grateful to you for the donation at the 2019 BFC Conference of \$1,911, which was supplemented by other donations.

My wife and I are grateful for your prayers as we serve our Lord, and for you men and your wives. We look forward to seeing how God will use us for His glory and will provide opportunities for us to be of help to you.

Blessings,

Ralph M. Soper

Conference Pastor

## Report of the Historical Committee

Should we have sold Pinebrook Bible Conference? Why did we buy it in the first place? Should we have closed Pinebrook Junior College? Why did we start its predecessor, Berean Bible School? Why don't we have bishops or, as they used to be called, presiding elders? Why are our congregations led by elders selected from and by the congregation? Why do we hold meetings called The Bible Fellowship Conference? Why do we take minutes at our meetings? Why do we raise questions about starting Bible Fellowship Churches outside the geographical borders of America? How did the church you attend get started?

Questions like these may get the response of a blank stare, shrugged shoulders, and perhaps a "Who cares?" You won't have to go far to find someone who thinks history is a waste of time and perhaps boring. Each of the questions above has an answer from our history.

Perhaps the concern for our history heats up if the question is asked, "Would the kingdom of God suffer loss if the Bible Fellowship Church simply disbanded?" Suppose it were decided that we should just be a bunch of independent churches? Do we really need to be connected? Why are we connected? What is or are the connectors? Is the vision of the Bible Fellowship Church significant in God's global task? Are who we are and what we believe and value significant in our communities?

Bible Fellowship Church history is full of wonderful, colorful, and interesting stories. But history is not just about stories of things that long ago became irrelevant, nostalgia about pleasant bygone days, or conversations at senior citizen gatherings. Our history helps us understand the processes by which God made us who we are. And more important, it helps us understand what we are becoming and how God is shaping us for His unique place for us in His kingdom work.

The Historical Committee meets twice a year to oversee its work. One important task is collecting historical materials and assuring they are maintained in the archives at Whitehall Bible Fellowship Church. After a couple of years of slow and steady progress, the process of moving them is pretty much complete. In practical terms, that means we can find things we are looking for. Some tasks remain but we are pleased to say that the bulk of the work is done.

The Historical Society is focused on communicating our history in a couple of ways. Periodically, articles and reprints of historical significance are published for the members. A yearly meeting is held. The 2019 meeting focused on our missions background. We reviewed the life and ministry of Olive Rawn, a dedicated and godly woman who spent her life as a part of the Bible Fellowship Church. We also surveyed how our missions program has developed over the last 40 years. This year's society meeting will be held on October 31, 2020, and will explore our earliest roots in revivalism. Those who would like to join the Society may do so by going to our website, [BFCHistory.org](http://BFCHistory.org).

## Report of the Youth and Young Adults Committee

Over the course of 2019, The Youth and Young Adults Committee met four (4) times to conduct its business, and its three (3) subcommittees met as needed.

This year saw a number of transitions in leadership as Timothy S. Radcliff and Joel B. Klase stepped down from their roles as Chairman and Secretary, respectively. We are grateful to God for His provision of godly and capable leadership to fill these and other positions as the committee reorganized the membership of its subcommittees at the end of 2019. Timothy S. Hogan was elected as Chairman, Jules J. Hull was elected Vice-Chairman, Bekah Manwiller was elected Secretary, and Jared Burkholder was elected Treasurer.

### Events Subcommittee

This subcommittee is charged with planning events for the gathering and building up of youth ministries within the BFC. Its energies throughout 2019 were focused on three primary events: Core Challenge at Victory Valley (Apr.), a brand-new event which combined the “Fall 500” Reformation event of past years with Victory Valley’s Thanksgiving Youth Rally and was called simply “Reformation Rally” (Nov.), and Sno-Glo at Pinebrook (Jan., 2020).

Core Challenge is an event designed for those in high school and college; it centers around the idea of training young people in their faith at a deeper level. The theme for Core Challenge 2019 was “Overcoming Sin and Temptation,” and Lincoln Fitch of Disciplemakers was the teacher. The new “Reformation Rally” event provided a variety of opportunities for teens in our denomination to grow in their faith and friendships, with two teaching sessions about the Reformation as well as a variety of sports tournaments. Finally, this year saw a restructuring of Sno-Glo in 2020 from three weekends to two in order to better focus our efforts and to provide the best possible weekend retreat experience. The keynote speaker for Sno-Glo 2020 was Dr. Raymond Johnson, who spoke on the topic of “Seeing God Clearly.” As always, the Events Subcommittee will continue to work on improving these events and looks forward to seeing what God will do in the coming year. For 2020, Jarrod J. Cruise has stepped into the role of chairing this subcommittee.

### Leadership Subcommittee

This subcommittee (newly chaired by Stephen J. Morton) exists to provide assistance and resources for the leaders of the Youth and Young Adult ministries in Bible Fellowship churches, especially those which don’t have a paid staff member overseeing these ministries. The primary effort toward “assistance and resources” that we pursued this year was to continue our quarterly newsletter, which provides ideas, information, and resources for youth leaders throughout the BFC. In the future the hope is to continue offering not only suggestions, but also real connections between youth and young adult leaders in the BFC.

### Young Adult Subcommittee

This subcommittee is tasked with effectively encouraging the integration of Young Adult ministry in the BFC, especially toward youth as they transition out of high school

and into college. Its chairman, Jeremy L. Harkins, took strides in this direction during 2019, including connecting with Disciplemakers ministry and continuing to gather a team around him for Young Adults ministry.

Respectfully submitted,  
Joel B. Klase (2019 secretary)

**Board of Youth and Young Adults (2020):** Timothy S. Hogan, Chairman; Jules J. Hull, Vice-Chairman; Bekah Manwiller, Secretary; Jared Burkholder, Treasurer; Melissa Adams, Jarrod J. Cruise, Jeremy L. Harkins, Lisa Kellerman, Stephen J. Morton, Christopher M. Von Holt.

Ralph Soper expresses his appreciation for the privilege of serving as Conference Pastor.

## Report of the Ministerial Candidate Committee

The Ministerial Candidate Committee is the gate through which men must pass if they seek to be credentialed in the Bible Fellowship Church. Because of that, the Committee takes its responsibility very seriously. A great deal of time and effort, both by those who apply and by the Committee, is given to reviewing the background of men who apply and their commitment to the Articles of Faith.

Because men are applying from various backgrounds, the Committee has the continual task of determining how to assure that our expectations are being met. For instance, we normally expect men to memorize the Articles of Faith for their examination, but occasionally have some men with extenuating circumstances, for whom we have to make special arrangements. As well, while we normally expect a man to have completed three or more years of theological training, we must determine if the conferences or on-line courses he has taken are the equivalent of the three years of training.

While Timothy J. Bertolet has had to step down from the committee because of his current ministry, we are pleased that he has agreed to continue to plan and coordinate additional studies when it is determined that an applicant needs them. We are also pleased that Bryan C. McNally agreed to serve this year as Tim's replacement on the committee.

The Committee met 12 times to interview 18 men.

The following men were approved for ordination examination or recognition of previous ordination: Jesse A. Benack, Jarrod J. Cruise, Larry W. Davies, Sean A. Fox, John J. Hanner, Paul S. Harvey, Jules J. Hull III, Jeffrey A. Kauffman, Daniel W. King, Daniel Krall, David M. Poland, and Roger L. Siegrist.

The following men were approved as probationers eligible to receive a call: Scott Allison, Benjamin Bailey, Luis Beltran, Wesley H. Bunting, Paul S. Harvey, Daniel J. Hoffstetter, and Diego A. Rodriguez.

The following men were licensed: Scott Allison, Benjamin Bailey, Wesley H. Bunting, Paul S. Harvey, Derek H., Errin Mulberry, Barry T. Parsons, and Christopher M. Von Holt.

The Orientation Seminar will be held at Calvary Bible Fellowship Church, Coopersburg, PA, June 2-3, 2020.

## Report of the Ministerial Credentials Committee

The Ministerial Credentials Committee held six meetings since last BFC Conference.

The Faith and Order questionnaire was available to fill out online again this year and an email was sent by way of the BFC yahoo groups to the ministers holding Ordination Credentials with the Bible Fellowship Church. We are thankful for the great response from our pastors. If you are a pastor and not yet signed up to receive bfc-ac and bfc-pastors@yahoogroups.com emails, it is important that you get signed up. This is the main communication by the BFC to our pastors. It is easy to do so: go to the bfc.org website under “Resources,” then “Extra Resources for Pastors.” After putting in the password, look for the yahoo groups sign-up.

The Lord, in His providence this year, has chosen to take home Terris L. Byrd of our ministering brethren. We thank God for the many years of ministry he devoted to the Lord. One glorious day we will worship our Savior with him again. Please be in prayer for his wife, Dee, and their family.

Various members of the Committee had the privilege of being at all of the local recognition services of the men who were ordained in 2019. Attending an ordination service in your local region continues to be an important opportunity to show love and support for men called of God to minister alongside us as brothers. We are grateful for those who were present at the services of recognition. We strongly encourage all our credentialed men to make ordination and installation services in their region a priority. Please put these services on your calendars and affirm these brothers in the Lord’s call on their lives.

Because it is such a strange year with COVID-19, we will be approving the 12 men this year for ordination or the recognition of their previous ordination, but we will hold their Ordination Service at next year’s Conference. Along with that, we would ask the individual churches to wait until after the 2021 BFC Conference to hold their local recognition services and to contact the Credentials Committee so we might have someone from the Committee at each service.

When a man desires to enter military chaplaincy, he is required to have an endorser. The Ministerial Credentials Committee, as part of the Bible Fellowship Church, is the endorser approving those men to serve in the military as chaplains, and they are representatives of the BFC. Therefore, we thank those who serve in the military and recognize that they have a unique opportunity to reach the lost. Any ordained pastor interested in military chaplaincy should contact the Credentials Committee Chairman.

The following changes in status were approved:

Timothy J. Bertolet was changed from Ordained Ministers Working under the Direction of the Bible Fellowship Church to Ordained Ministers Working in Other Christian Ministries.

## **Annual Agreement with the Faith and Order of the Bible Fellowship Church**

Each year all ordained men under the care of the Ministerial Credentials Committee are required to submit a form indicating their agreement with the Articles of Faith of the Bible Fellowship Church and any reservations they might have.

The reservations reported this year are:

- Documented “grandfathered” disagreement with Article 11; Election – 1
- Article 20-1 - that we should be more inclusive on the mode of post-salvation baptism – 3
- Article 25 – reservation about pre-millennialism – 1
- Articles 21 and 27.3 – reservations concerning the updated language regarding the millennial reign of Christ; Sabbath principles from the Old and New Testament, the “ought” of article 21 now seems to me based solely on tradition – 1

The Credentials Committee makes the following additional recommendations:

1. **Resolved**, that an Ordination Service be held at the 138th BFC Conference.
2. **Resolved**, that the Lebanon Bible Fellowship Church, Lebanon, PA, the Bethel Bible Fellowship Church, Emmaus, PA, the Calvary Bible Fellowship Church, Sinking Spring, PA, the Bible Fellowship Church of Adams County, Gettysburg, PA, the Calvary Bible Fellowship Church, Sinking Spring, PA, the Emmanuel Bible Fellowship Church, Sunbury, PA, Ephrata Bible Fellowship Church, Ephrata, PA, and the Bethany Bible Fellowship Church, Mt. ### **Conference Pastor**

Conference Pastor Ralph M. Soper continues his ministry to our pastors and is now in his fifth year in this role. The committee appreciates his wise counsel and compassionate friendship to our pastors.

### **Pastoral Compensation Proposals**

The committee reminds our churches of three resource booklets: Guidelines for the Pastoral Relations Committee, Guidelines for the Pastoral Search Committee, and Guidelines for Preparing for Pastoral Retirement. Copies are available online at <https://www.bfc.org/resources/documents-for-pastors-and-churches/>

The Committee makes the following recommendation and resolution to the 137th BFC Conference:

The committee recommends that each church meet at least annually with each of its pastors to consider the adequacy of his salary package and make adjustments where necessary. The committee reminds each church of its responsibility to fulfill the terms of the pastor's call with respect to Social Security tax, parsonage and/or housing allowance, health insurance, and reimbursement for car and professional expenses. The committee recommends that the church structure the pastor's salary package to provide maximum tax advantage to him.

**Resolved**, that each church provide a minimum of 3% of the pastor's salary for retirement, plus an additional 1% match if the pastor is voluntarily contributing 1%.

Respectfully Submitted,

Ministerial Relations Committee

## Report of the Church Health Committee

Pursuant to its purpose, the Church Health Committee met five times since the 136th BFC Conference to continue its work of promoting good health among BFC churches, and of providing practical assistance and prayer, where necessary, across our diverse denominational landscape (see *Article 511-3.1*). Committee members corporately discussed the needs of many churches at these meetings and individually sought to engage with a number BFC churches, as requested. The committee was aided in its efforts by the capable leadership of both David T. Allen (BFC Executive Director) and Robert A. Sloan, Jr. (BFC President and Church Health Pastor). The contributions of these men proved to be invaluable.

The Church Health Committee would like to remind the pastors and delegates of BFC Conference of multiple “tools” for self-assessment of church health locally. In 2018, the “Ten Distinctives of a Healthy Bible Fellowship Church” pamphlet was made available. This pamphlet provides an overview of 10 key areas which, from one degree to another, help to indicate how any particular BFC church is trending toward “good health.” You are encouraged to use this tool both as a local leadership team and, as some have done, in your public teaching ministry. It is available for purchase on the denominational website.

Another “tool” that was released last year is the “Church Health Dashboard.” The “Dashboard” is similarly a practical instrument to help with self-assessment at the local church level. By tracking such things as baptisms, small group involvement, and financial trends, the “Dashboard” can provide a helpful and informative “window” into your ministry’s health. You are welcome to request a digital copy of this tool by contacting any Church Health Committee member.

In broad terms, the Church Health Committee would assess the overall “health” of our fellowship as “fair.” There are a few BFC churches that are steadily growing. Praise the Lord! There is also a large group of churches that seem to be “holding their own” with neither a sizable numerical increase nor decrease. Finally, there are a number of churches in our denomination that are struggling in the area of church health. The common indicators of poor church health often include low numbers of attendees, zero-to-minimal baptisms annually, few-if-any new members, insufficient offerings, and unclear vision. While many of these churches continue to experience great joy and fellowship in the Lord, there is ample cause for concern. This is why the Church Health Committee exists—to come alongside the pastors and elders of both large and small BFC churches to help them move their congregations toward greater health.

In consultation with the Church Health Pastor, our committee greatly desires to assist all of the BFC churches regardless of where you believe you stand on the spectrum of “church health.” In addition to the tools mentioned above, the members of the committee are available to meet with your church, to help direct conversations on church vision, and to critically evaluate any troubling “symptoms” that you may be experiencing in your ministry. The Bible reminds us, “Where there is no guidance, a people falls, but in an abundance of counselors there is safety” (Proverbs 11:14). It is both wise and “safe” to seek out this kind of church support. The Church Health Committee stands ready to provide it.

Finally, by way of reminder, the Church Health Committee is responsible for providing oversight of newly-formed BFC churches. At the 136th BFC Conference, two new churches—Harvest Fellowship (Boyertown, PA) and Northern Lehigh BFC (Walnutport, PA)—were received as particular churches. We are pleased to report that both churches are thriving and in good health! Again, praise the Lord!

**Church Health Committee:** Jason L. Hoy, Chairman; Steven J. DelDuco, Vice Chairman; Daniel L. Williams, Secretary; James Arcieri, Wayne W. Batten, Clyde D. Bomgardner, Bryan C. McNally, Richard. T. Paashaus, David N. Schoen.

The 137th BFC Conference looked different due to the COVID-19 pandemic, with a limited number of pastors and delegates in attendance “in person.”

## Report of the Committee to Examine 136<sup>th</sup> BFC Conference Minutes

In pursuance of our responsibility to produce accurate minutes of BFC Conference, the committee compares the approved minutes with those published in the Yearbook and proofreads the minutes and other material in the Yearbook. If you notice mistakes in the Yearbook, please notify the chairman of this committee before February 1 so it can be corrected in the committee's report.

The following corrections should be made to the 2019 official minutes:

p. 13 In the middle of the page, Ronald L. Kohl (1 year) should be indented under the heading Secretary of 137th BFC Conference.

The following corrections should be made to the remainder of the 2019 Yearbook:

p. 39 In the list of reports, it should read "Study Committee on the Importance of Preaching"

p. 76 Under the list of Board of Missions members in the middle of the page, it should read "Duane E. Moyer, Director..."

p. 79 Under Jerry & Carolyn Moyer's entry it should read "on 5-month temporary assignment to recruit church planters in Australia."

p. 79 Under Dan and Jackie Scott's entry, it should read "among" rather than "amonth."

p. 126 The title of the report should be "Report of the Study Committee on the Importance of Preaching."

Comments:

#1. The Committee would like to thank the Agenda and Arrangements Committee for positioning our report in the beginning of Conference. This allows for the books of the previous year to be closed in a timely fashion.

#2. The Directories in the back of the Yearbook are very helpful. The Committee appreciates how all the Ordained men were organized into one continuous directory with the current category of each listed after their name. The Committee did notice that the Directory of Delegates was missing from the 2019 Yearbook. The Committee is hoping this was just an oversight and not a trend. Although the delegates from each church might be fluid, as per new regulations, at least one (with addresses) should be duly noted.

The Directory of Churches is also very helpful. The Committee recognizes the challenge of placing our churches in alphabetical order by town/city when some churches may have moved but are still known for the town or area in which they started (i.e., Fogelsville is now Orchard Hill, but is placed alphabetically in the Fogelsville spot) or in some instances their mailing address town is noted as opposed to their location (i.e.,

Finesville is listed at Phillipsburg, yet alphabetically is in the “F” spot; Maple Glen is listed as Horsham, but is in the “M” spot). Perhaps the Yearbook committee could come up with a standard way of doing this while keeping it with the church’s location, which everyone seems to know, as opposed to the mailing address (i.e., Hellertown, as opposed to its mailing address which is Bethlehem).

Carmel, NY’s mailing address is not the same as its church address but is P.O. Box 79, Holmes, NY 12531. Also, Clinton Corners, NY, listed the address of retired pastor David Way, who lives in Pleasant Valley, NY, as opposed to the church’s address, which has been used for the past 16 years.

In regard to the directories, the Committee makes two suggestions: First, that all members of the BFC Conference make sure they completely fill out the registration forms and send them to the appropriate location before the deadline so that the Yearbook Committee has the correct data. Second, that the directories be printed out and distributed during Conference so that corrections, if discovered, can be made. This will also allow members of the BFC Conference to be able to use the directories made available to them until the Yearbook is distributed.

#3. The Committee noticed that the “Index of Previous Reports” was not listed. This may not be a bad thing; however, is there a venue or platform in which it appears? Also, the Committee recognizes that the index is in need of being updated.

## Report of the Committee to Examine Minutes of Particular Churches

According to Article 403 of our Principles of Order, the board of elders of each church shall conduct at least one congregational meeting each year. These meetings serve as a way for the congregation to worship together and rejoice in what God is doing through the sharing of ministry reports as well as looking at the coming year through the budget and goals. At the end of these meetings, the minutes are to be sent to our committee so that we can rejoice with our congregations and make sure that we continue to operate above reproach. As we met together as a committee, we noted that God continues to be at work in our churches across the denomination! This year's response was tremendous; over 50 percent of our particular churches sent in their reports before the day of our meeting and another dozen arrived just a few days later.

Each year a checklist is sent to each church in order to help guide the boards of elders to include what is necessary to give a good accounting of the ministry in their body of believers. One of the key reports that seems to be missing each year is the evidence of a financial review of the church's books. This is to assure that we are operating above reproach. A review can be just a statement saying that someone outside of the church's treasurer looked at the books and assures their accuracy. With some churches using accountants to do their books, a quick statement from them would suffice. Also, we continue to see that many churches either do not have a pastoral relations committee—which, by the way, is the only organizational committee listed in the Principles of Order—or else has one that doesn't meet. The purpose for the pastoral relations committee is to meet with the pastor or pastors and to encourage them and promote good relationships between the pastors and the congregation. Lastly, the committee checks the minutes of each congregation to find out if there are any petitions of which BFC Conference needs to be made aware. This year, there were no petitions seen in the minutes we reviewed.

Because there seems to be some discrepancy concerning just what is meant by some of the reports on the checklist (such as the status of the work and what determines a financial review), the committee will strive to meet during the year in order to give some clarity to the congregations for next year's report. One of the changes that you will see next year is an updated checklist. Each church is encouraged to keep the checklist in mind as it sets the agenda for its congregational meeting. Beginning this year, minutes have been forwarded to the Church Health Committee so that they can also review them to see if there is any assistance that they may be able to provide our congregations. Therefore, mailing a paper copy to the chairman of this committee helps this happen.

Thanks again for the great response to communications from this committee. God is doing some great things out there and it is a joy to read about it in your reports.

## Report of the Ministerial Convention Committee

The annual Ministerial Convention was held on Tuesday and Wednesday, October 1-2, 2019. The theme was “Building Healthy Churches: The Presence of God.” We were joined by Dr. Raymond Johnson, pastor of Christ Church in West Chester, PA. The content of the teaching portions focused on the ordinary means of grace and how God meets, strengthens, and shepherds His people through them. Our pastors and some of their wives also had time to relax, fellowship, and worship together in song, prayer, and the Word.

The 2019 convention and topics were well received by those in attendance. The Committee would like to thank everyone for their involvement and words of encouragement regarding the convention.

The 2020 Ministerial Convention is scheduled for October 6-7, 2020. Our theme this year is “Building Healthy Churches: Discipleship.” We want to encourage all BFC pastors and elders to attend this time of refreshment in the Word. A time away like this, with your BFC brothers, is something you cannot get anywhere else; you need to be there. We hope you mark it on your calendar and make it a priority.

The following changes are being made to the “Ministerial Convention” section of the Principles of Order under Resources:

- “Purpose” Heading:
  - Add sub-point: “(6) To promote the convention to other like-minded pastors, elders, deacons, lay church leaders outside the denomination in order to expand our influence as the BFC and join in fellowship with the larger body of Christ.”
- “Composition and Election” Heading:
  - Remove sub-point (4)
  - Renumber sub-point (5) to reflect deletion

**Ministerial Convention Committee:** Beau E. Coffman, Chairman; Timothy R. Nessler, Secretary; Andrew W. Barnes, Timothy D. Gibson, Barry T. Parsons, Scott Wright. Ralph M. Soper, Advisor.

## Report of the Day of Prayer Committee

The Day of Prayer Committee met several times to plan the third annual Day of Prayer, to be held on March 14, 2020 at Cedar Crest BFC in Allentown PA.

The theme, Journey to Joy, was taken from Daniel 9, where we see Daniel overcome with emotion while reading from the prophet Jeremiah. He then turns to the Lord, seeking Him by prayer and pleas for mercy. Daniel appeals to God's gracious and merciful character to forgive and restore the people called by His name. He prays (Daniel 9:18-19), "For we do not present our pleas before You because of our righteousness, but because of Your great mercy. O Lord, hear; O Lord, forgive. O Lord, pay attention and act. Delay not, for Your own sake, O my God, because Your city and Your people are called by Your name."

In God's providence, the Day of Prayer was postponed due to the COVID-19 outbreak. We are working to reschedule the Day of Prayer for later in 2020.

Thanksgiving to the Lord is appropriate for Clifford B. Boone. For several years the Lord has been moving within the BFC, calling us to seek His face, and He has been pleased to use this faithful servant to spearhead our renewed focus on Him. Brother Boone's humility and love for the Lord is evident and contagious. We pray that the Lord gives our brother much strength as he perseveres under suffering; may he rejoice in the Lord always. May the Lord Almighty continue to draw His people to seek His face for His name's sake.

The purpose of the Committee is to provide an annual day of prayer for church leaders and spouses in the BFC, to cultivate a culture of prayer within the BFC, to serve as a declaration of the BFC's dependence upon the God and desire to seek God's face, and to model how to lead people in public and corporate prayer.

In an effort to accomplish this purpose, the Committee is hopeful to have a second location for the Day of Prayer in 2021. Although final details are still being worked out, it is likely that BFC of Newark, DE will be an additional host. The plan is to have the Day of Prayer on the same day in two locations.

Do you desire to seek the Lord's face? Do you want to help others experience the powerful presence of God through corporate worship and prayer based on God's Word? Do you want to see BFC churches grow in their dependence upon Christ and in their joy in Him? If so, will you consider being a part of the Day of Prayer committee? Please contact anyone on the committee to see how you can be involved in what God is doing through prayer in the BFC.

**Day of Prayer Committee:** Daniel L. Williams, Chairman; Michael W. Walker, Secretary; Adam Crain, Daniel W. King, Nate Orłowski, Julie Sebastian.

## Request from Board of Elders, New Life BFC, Oley

**Whereas**, on June 15, 2020, the Supreme Court of the United States issued a ruling in the case captioned *Bostock v. Clayton County*, 140 S. Ct. 1731 (2020), and in that case held as a matter of first impression that sexual orientation, gender identity and gender expression are now protected classes entitling individuals within those classes to protection against discrimination in the workplace under Title VII of the Civil Rights Act of the 1964 United States Code, and

**Whereas**, we believe our churches are increasingly more likely to be ministering to individuals struggling with gender dysphoria and other sexual disfunction who may desire to be part of the groups of their gender identification; e.g., a teenage boy identifying as teenage girl insists on staying in the girls dorm at Sno Glo, or an elementary school age girl who is encouraged at home or at school in her sincere belief that she is a boy insists on participating in church activities as a boy, or a man who believes he is a woman insists on using the women's bathroom, or an employee who suddenly proclaims that he, while born a biological male, has discovered that he is a woman, will be dressing as a woman, and will be using the women's bathroom, and

**Whereas**, we have been advised by legal counsel of the benefit of having our written statement of faith explicitly address matters of human sexuality as a means of demonstrating support for decisions we as associated church leadership may be called to make, whether in the context of employment, services, or facilities use, and

**Whereas**, New Life Bible Fellowship Church Pastors Scott Allison and Jim MacArthur, and member and Attorney James M. Smith, reviewed the current BFC's Articles of Faith and Biblical Principals of Living to consider whether the language contained sufficiently details the BFC's theological position on matters of human sexuality and found it to be wanting, and

**Whereas**, the Elder Board of New Life Bible Fellowship Church desires to clarify our beliefs on human sexuality as set forth in our written Statement of Faith and simultaneously provide a legally-defensible guideline for decisions by leadership of churches and affiliated ministries across the fellowship consistent with it that may be called to make in accordance with it in a variety of contexts, and

**Whereas**, the Elders recognize that the law and social constructs that have a direct impact on the church and its freedom to minister according to its calling are changing at a seemingly exponential rate and believe that this is by the design of the Evil One, therefore be it

**Resolved**, that the 137th BFC Conference form a committee which would include elders, pastors, laypersons, and legal counsel specializing in these types of issues who will be tasked with reviewing the BFC's governing documents, proposing revisions that will support our effective ministry of the Gospel unhindered by

spurious legal constraints or impediments, so as to strengthen our legal defense under the law in all matters, including human sexuality, and further

**Resolved**, that any recommended revisions to the BFC's procedural rules allow for the changes to be adopted temporarily pending full review on issues until such time as our longer process can be followed.

Pastor Scott Allison of New Life BFC, Oley, addresses Conference as a first-time participant.
